Florida Turf-Grass Association

Cowboy hats, a “rodeo” and western barbeque are setting the mood for the Twenty-eighth Annual Conference and Show of the Florida Turf-Grass Association.

This year, the Association is “returning to its roots”, the University of Florida, adding increased emphasis on research and education.

The dates are October 19-22 and the location is Gainesville, Florida. The educational sessions will be held on the University campus and highlights a “hands-on” lab followed by the Research Update Section on Monday. Additional educational sessions precede a tour of the turf plots to conclude the program on Wednesday afternoon.

Turkey Creek Country Club will host the Annual Scholarship and Research Golf Tournament on Monday morning and a full-day exhibit-show, with equipment “rodeo”, is planned for Tuesday at the Alachua County Fairgrounds.

Conference Chairman Dr. F. A. Wood, Dean for Research, announces that a repeat performance by Ron C. Frame, noted authority of personnel/motivational problem-solving, is scheduled for Sunday, October 19 in a special presentation.

For more information contact: FT-GA Executive Office, 1520 Edgewater Drive, Suite E, Orlando, FL 32804 or telephone 305/425-1581.
