SPOTLIGHT: CHANGING OF THE GUARD
New Association Manager Jennifer Innes was presented to the members at the annual Florida Turfgrass Association Conference and Show in Estero, two new directors were seated and several awards were announced.

COVER STORY: KINGWAY COUNTRY CLUB
Architect Ron Girland the members of Kingway Country Club made some great lemonade from the lemons Hurricane Charlie left behind when it flattened the course Aug. 13, 2005. Its signature feature had been trees, now its waste areas...and the members couldn't be happier.

HANDS ON: MANAGING DURING THE SEASON
Managing turfgrass in the golf season is never fun, but improved equipment and products, flexibility and cooperation among the superintendent, pro shop and golfers, it's possible to get healthy turf with minimal effect to playing conditions.

INDUSTRY NEWS: NEW DIAGNOSTIC SERVICE
The University of Florida Disease Diagnostic Clinic was revamped last year, under the guidance of Dr. Phil Harmon, to provide golf courses with a Rapid Turf Disease diagnosis service for turfgrass managers.

OFFICIAL BUSINESS: LET THE SCIENCE BEGIN
The Florida Consumer Fertilizer Task Force was created by the 2007 Florida Legislature to address several issues beginning with phosphorus loading in Lake Okeechobee and expanding to include nutrient and all watersheds and basins in the state.
