continue to lend his support to the FGCSA. He had a hard time describing his emotions about winning the award. He is a quiet person who enjoys working behind the scenes, and out of the limelight. His involvement at all levels forced him to become a better speaker, and to be more comfortable when addressing large groups. But his actions speak louder than words!

Kuehner’s service and support of his associations will continue, but the birth of his son has him enjoying the special feelings of fatherhood. He says he has adapted well to the schedule changes that come with parenthood, and he describes Ian’s easy going disposition with much love, affection and wonderment.

Kuehner used to get excited about a new Rain Bird irrigation program to play with; now it’s Ian’s photo on his computer screen saver. Dad can’t quit smiling about the tours Ian takes with him on the golf course and Cindy’s dressing Ian up in little reindeer antlers for the holidays. It’s going to be a special holiday season in the Kuehner household this year!

Dale, thank you for your many years of support and energy you have dedicated to the local, state, and national superintendent associations. If the rest of us could make a commitment that was 10 percent of yours, we would have more volunteers than we could possibly use. Thanks, Dale, and congratulations!

BOB KLITZ, CGCS

1999 FGCSA President’s Award Winners
• Paul Hickman
• Dave Hollar
• Steve Pearson
• Al Ross
• Dale Walters

Dale Walters
Recognized with President’s Award.

Dale Walters is an Ohio buckeye who took root in Florida 24 years ago.

As a 12-year-old lad in Dayton, Ohio, Dale somehow made the connection between his youthful lawn mowing jobs and his growing love of golf. When college time rolled around, he enrolled in Ohio State, but transferred into the Lake City Community College Golf Course Operations program to finish his training since Ohio State did not have a similar program at the time. He graduated from Lake City in 1975.

Nearing graduation at Lake City, Walters saw an article in Golf Digest magazine talking about the John’s Island Club putting in another 18 holes. He took a
chance and submitted his resume and landed the job. The following year Dale moved to Naples, FL to assume the duties of superintendent of the Moorings Country Club. In 1991, Dale moved to the Royal Palm CC where he remains today.

When asked about those people who had the biggest influences on his career Dale responded, “Dr. (Gene) Nutter from Lake City certainly was the biggest academic influence in learning the business. Superintendents Charlie Jarrell and Bubba Luke were early mentors who gave me a job, let me do my job and gave me good advice on how to deal with people. I would have to also give credit to all of my past green committee chairmen (about 20 of them) who influenced me for the good, the bad and the ugly.”

Gary Grigg named for GCSAA DSA

Florida’s own Gary Grigg, CGCS, MG of the Royal Poinciana Golf Club in Naples has been named as the recipient of GCSAA’s Distinguished Service Award for 2000. He will be presented this prestigious award during the opening ceremony of the 71st International Golf Course Conference and Show in New Orleans Feb. 16.

Grigg served as president of the GCSAA in 1995. He didn’t retire from association service when he moved to Florida. He is currently serving as the external vice president of the Everglades GC SA, and he is still active on GCSAA committees. Congratulations to Gary from all of his Florida friends and peers, and thanks for all the time and effort spent to make the golf course superintendents profession and associations just a little better.

Walters became involved in the Everglades GC SA and the Golf Course Superintendents Association, volunteering his time to serve on committees and the board of directors of the EGCSA. He completed his CGCS certification in 1986.

Walters is a past president of the Everglades GC SA and served as the chapter delegate to GCSAA for three years. He has been a speaker at two GCSAA International Conferences and he is currently serving on the GCSAA Information Services Committee. He has also taught turf management classes at Edison Community College on Disease Identification and Introduction to the Golf Course Industry.

About his personal work and life philosophies Walters says, “I’m still a work in progress. I pray for rain then I pray for rain to stop. I pray for the bugs and disease to go away and I pray for the crew to show up for work. I also pray for the members to be happy. My faith is an influence on everything I do or say and how I manage my life, my work and my family.”

As far as memorable moments go Dale reverts to his buckeye beginnings. He says, “The best moments are when Ohio State beats Michigan, which doesn’t happen often enough.” He quickly adds that among his most treasured memories were the 11 days he spent with his wife touring England, Scotland and Wales.

Walters has been married to his wife Connie for 29 years and has four children, Carrie Hope (24); Amanda Faith (20); Joshua (13) and Charity Grace (12). Dale says his hobbies and interests include watching Josh catch fish while he doesn’t and being active in his church.

Regional Seminars Wrap Up 1999

Education Calendar

As 1999 came to a close, three FGCSA Affiliated Chapters held GCSAA Regional Seminars to provide continuing education credits for Florida superintendents seeking certification or recertification.

The FGCSA works with the local chapters to coordinate the dates and seminar selections to avoid schedule and topic conflicts.

The South Florida Chapter held a seminar in July at the Orangebrook GC in Hollywood. Dr. Charles Peacock presented a program on “Protecting Natural Resources on Golf Courses.” Then in September in Orlando, the Central Florida Chapter presented “Human Resource Management” with longtime GCSAA faculty member, Dr. Bree Hayes. The North Florida Chapter in Jacksonville finished off the series of regional seminars in November with a program on “Integrated Disease Management for Bermudagrass Golf Courses.” presented by University of Florida turf pathologist, Dr. Monica Elliott.

These eight-hour, college-level presentations are worth .7 CEUs each for the attendees who must attain a...

Chris Cartin from Deltona Hills GC shot a 74 over the rolling, windswept course for the low round of the day and earned a spot on the Florida No. 1 team competing in the GCSAA Golf Championships to be held in Mobile, Ala. in February 2000. Cartin joins Mark Hopkins, Poinciana GC, winner of the Poa Annua Classic and Hal Richburg, CGCS, Heathrow CC, winner of the Crowfoot Open. The fourth spot, determined by the superintendent with the low average in two out of three of the above events, was claimed by Joe Ondo, CGCS, Winter Pines GC.

The Central Florida Team No. 1 of Joel Brownsberger, Chris Cartin, Jim Lawrence and Hal Richburg and Kevin Rotti took the low gross division by three shots over Central Florida Team No. 2 made up of Buck Buckner, Joe Ondo, Chad Sartain and Barry Shuman. By virtue of their strong second-place finish, Central Florida Team No. 2 captured the Low Net honors.

The FGCSA Golf Committee would like to thank host superintendent Bayne Caillavet and Southern Dunes head golf professional Eddie Frye for helping make this another great event.

Joe Ondo, CGCS
FGCSA Golf Chairman

TREASURE COAST GCSC
Blue Pearl Dodges Floyd, Beats Harvey to the Punch

Postponed by Hurricane Floyd and just beating Tropical Storm Harvey to the punch, the 1999 Treasure Coast Blue Pearl Tournament managed to fulfill its mission on Oct. 4 at Greg Norman’s Medalist Club in Hobe Sound.

Begun as a fund raiser for the Audubon Sanctuary Program for local schools, the success of the event has expanded the beneficiaries to include a new turf program.

SOUTH FLORIDA GCSA

15th Annual Event Raises $14,000 to Benefit Children

The 15th Annual SFGCSA Benefit for Children's tournament was held at the Colony West C.C. in Tamarac Oct. 8.

Another fun and financially successful event was enjoyed despite the relentless rains of this year's tropical season. Even though the golf had to be canceled after nine holes, the food and festivities continued which included a presentation by Nancy McBride and Mike Christiansen of the Florida Branch of the Center for Missing & Exploited Children.

They reported that due in part to the loyal support by the SFGCSA and others: 135-170 cases are reviewed every month 257 child recoveries were performed in 1999 through September 76 educational presentations were made to 2,038 people 42 training sessions were performed with 1,180 law enforcement officers Child safety literature and materials were developed and distributed.

This year's contribution from the SFGCSA tournament came to $14,000. This brings the total contributions to the M & E Children's Center to $125,000 over the history of the event.

West Coast GCSA

36th Quandt Event Aids Research and Education Funds

The 36th Annual Bud Quandt Turfgrass Research and Benefit Tournament came off without a hitch on Oct. 11 at the Pasadena Yacht and Country Club in St. Petersburg.

The primary fund-raising event for the West Coast GCSA provides monies for turf research, scholarships and donations to benefit local charities.

The day-long event includes a welcome breakfast buffet at registration, a business meeting and educational session, a four-man scramble tournament followed by an awards ceremony and reception.

University of Florida IFAS Turf Coordinator Dr. John Cisar was on hand to update the audience on IFAS personnel changes and research projects to the turf program. Tim Williams, public relations director of Gatorland in Kissimmee talked about facts, myths and safety issues when dealing with alligators on golf courses. The bottom line is there are ways to manage alligators on your property without resorting to trapping and removal.

The golf tournament followed the meeting and the team of Duane Van Etten, Mark Wheaton, John Robertson and Jim Ahern took low gross honors with a 55. The low net winner was the team of Roger Hruby, Steve Lyerly, Johnny Nevill and Chip Powell. Skill contest winners were: Closest to the Pin No. 2 Terry Teats, No. 8 Bill Moore, No. 11 Buddy Carmouche and No. 16 Alan Niblett. Long Drive - S. M. Johnson. Accurate Drive - Bob Ley. Putting

CALUSA GCSA
Su-Pro-Liers Trade Turkeys for Turf Research

The FGCSA’s newest chapter, the Calusa GCSA, hosted its first fundraiser for turf research on Nov. 11 at the Heritage Palms Golf Club in Ft. Myers.

Called the Calusa Su-

Chapter leaders for the newly formed Calusa GCSA, from left. Front row: Ed Stalnors (membership chairman), Joe Boe, president and Tim Price (supplier liaison). Back Row: Rick Mohr (golf & education chairman), Greg Laue (secretary/treasurer) and John Stach, (vice president). Not pictured Mike Mongoven (external vice president). Photo by Joel Jackson.

Calusa GCSA President Joe Boe, left, presents FGCSA Director of Communications Joel Jackson with a check for $1,000 for the FGCSA Research Fund at the inaugural Calusa Su-Pro-Liers Turkey Shoot. Photo by Rick Mohr.

Pro-Liers Turkey Shoot, the three-man scramble format teams up a superintendent with a golf pro from his club and a turf supplier who services the region. Teams were selected by suppliers blind-drawing the superintendent/pro twosome from each club.

Winners of the closest-to-the-pin and long-drive
contests were presented gift certificates for turkeys from Publix supermarkets.

Low gross and net winners received gift certificates for golf merchandise from the Heritage Palms pro shop.

This inaugural event was attended by nearly 40 people and consisted of golf, lunch and an awards reception.

Though they have been in existence less than a year, the Calusa Chapter has joined the quest for turf research and education by donating $1,000 to the FGCSA Research Fund and $500 to the Edison Community College Turf Program.

**Central Florida GCSA**

**Disney Employee Receives Burgess Scholarship**

Five years ago the Central Florida GCSA began the Danny Burgess Memorial Scholarship Tournament to honor the 30-year-old superintendent of Windermere C.C. in west Orange County, who was killed in a boating accident in 1994.

The CFGCSA, working with the Windermere C.C. staff and members, commemorates Burgess’ memory with a tournament which raises money for scholarships for students at Lake City Community College’s Golf and Landscape Operations Program or the Westside VoTech Turf Technician program in Ocoee.

This year, Ricky Davis of Center Hill was the recipient of a $1,500 scholarship to attend Lake City. Davis learned basic horticulture skills in the landscape/nursery business, but has been working the past couple of years for Scott Welder at Disney’s Magnolia and Palm golf courses to qualify for the LCCC Golf Course Operations program.

We understand that failure is not an option for our customers.
Any way
the wind blows.

NEW, NO-DUST, LOWER-ODOR Orthene® Turf, Tree & Ornamental Spray 97 blows away any other turf insecticide.

New ORTHENE 97 controls more than 40 pests (far more than Chipco® Choice®). ORTHENE 97 controls through both contact and local systemic activity (more than Talstar®). So ORTHENE 97 is one of the most COST-EFFECTIVE turf insecticides you can buy.

Best of all, its patented 97 PERCENT PELLET delivers genuine ORTHENE performance in a smooth-flowing formulation that improves handling convenience and measuring accuracy while it reduces odor and virtually eliminates dust.

Find out about new ORTHENE 97 from your distributor or through the Valent web site at www.valent.com.
