SPOTLIGHT: RANDQUIS FOR DIRECTOR

Bob Randquist, CGCS, the director of golf and grounds at the Boca Rive Golf Club in Boca Raton, has accepted the FGCSA nomination for FGCSA Director in the 2005 elections.

COVER STORY: RETURNING TO PROMINENCE

Returning to prominence is the vision of the new owners of the Pasadena Yacht and Country Club located on the shores of Boca Ciega Bay near the southern tip of the Pinellas County.

AN EARLY MORNING RIDE DOWN YOUR FAVORITE FAIRWAY MAKES YOU APPRECIATE YOUR HARD WORK AND LONG HOURS.

Some days everything seems just right. Other days are less than perfect. But one thing is for sure. Building, growing-in or maintaining a golf course presents many challenges. And it's up to you to turn the challenges into opportunities. The problems into solutions.

A business relationship with a company focused on your needs helps. Someone offering service, convenience, technical expertise and value. Someone who understands what you're up against.

Someone like LESCO. LESCO is there with the most complete line of products available anywhere. Everything from seed, fertilizer, control products and application equipment to flags, cups and markers. Plus so many additional services. Like custom blending, soil testing, grassing specifications and agronomic program development... just to mention a few.

CONVENIENCE. LESCO is there with 69 LESCO Stores-on-Wheels®, 235 LESCO Service Centers® and a variety of direct delivery options. No one makes it easier and more convenient to obtain the products you need...when you need them.

TECHNICAL EXPERTISE. LESCO is there with turf professionals who appreciate the challenges you face and are fully prepared to answer your questions. Turf management and product use recommendations are all part of the job...part of the convenience and service.

VALUE. Put it all together and what you get is an overall commitment from a company dedicated to meeting your needs. That's called value. And value is what that ride down the fairway is all about. Call 800-321-5325. LESCO is there.

LESCO®
GROW WITH US®
It is with great pleasure that I will serve as your president for the next year. It has been more than 23 years or so that this transplanted cheese head has been “turfin it” in South Florida. Along this lengthy journey, many wonderful people have touched my career and life, helping to shape the person I am today.

A few folks deserve mention and thanks such as Jim Walker. He provided me with my first text on bermudagrass way back in 1981. There was Alan Wietzel – showing me the ropes in the early years, especially South Florida association tidbits and advice. Then there was Dr. Max Brown, who took a chance on me as superintendent of his home course at Ft. Lauderdale Country Club. Thanks to him for all the support, patience and encouragement he bestowed on me, especially during the early years of superintendent-hood.

A special thanks also goes out to David Court for asking me to serve on the board at the state level. Watching and learning from him over the past few years at the board level has been a very wonderful experience. I only hope that a few morsels of his wisdom has rubbed off over the years, and I hope to make him proud this year and on into the future.

Before discussing our goals for the year, I would be remiss if I did not extend our best wishes to those affected by all the hurricanes this season. No region was totally spared, but the Calusa, Treasure Coast and Ridge Chapters took the hardest hits from storm landfall fury and multiple hits in the central parts of the state as the eyes of Charley, Frances and Jeannine all passed through Polk County. We know that strong bonds have been formed during the recovery, whether it has been with family, neighbors, friends, staff and/or members at your club.

Hopefully, your club members will understand the damage not only at your courses but homes as well and will be patient as you put the pieces back together.

During Hurricane Andrew in 1992, we saw what being without power and proper shelter can do to your life, let alone the vast damage to our turfescape and the like. It was kind of awesome, though, to see how the teamwork, determination and ingenuity helped us rise from such adversity. As time passes and wounds heal, we want to hear your stories. I am sure there are some wonderful encounters and experiences that have and will take place during the rebuilding process.

When the gavel was passed my way at the annual meeting in August, I told the board how excited I was about this upcoming year. What a wonderful opportunity to meet new people, learn new ideas, travel a bit, hopefully make an impact on our industry and set the table for success in the future. The turf industry is worth fighting for — it’s a $4.4 billion business here in Florida (wow!). While we have come a long way as an industry, there is so much more to do to get to where we deserve to be.

We have seen a disturbing trend over the past couple of years in that our membership has not increased and participation at functions has diminished somewhat. As a result, Greg Phener, your immediate past president, helped develop a member-needs survey which was distributed to each of the 12 chapters asking for their feedback on concerns, ideas and suggestions. When all the data was compiled, it became fairly easy for me to select a set of goals for the year: ones you as members see as a priority.

We decided to keep it simple by selecting only a few important initiatives that we could complete within one year. There are only four, which may seem straightforward at first glance, but are actually very complicated and involve a multitude of committee interactions, staff involvement and industry related efforts to realize.

FGCSA Objectives for 2004-2005

- Increase turf research funding.
- Improve communication/coordination throughout chapters, FGCSA and allied associations,
- Improve and coordinate educational opportunities throughout the state.
- Ensure that our association is functioning efficiently and is directed appropriately to the future.

Not only are these goals ones that you requested, but they are also a great way to strengthen our foothold in the turf/golf business in Florida. In future publications, we will expand on these goals and how they will be accomplished. Meanwhile, our numerous committees will be working hard on these objectives. As members, I also look forward to some of your fresh ideas.

Coincidentally, the GCSAA has asked our chapters to be a prototype contributor in a “Chapter Assessment Tool.” Each chapter, as well as the state association, was asked some tough questions as to how we operate, what services we provide to members, our leadership, promotional development, etc. This was a lengthy and thorough exercise to complete but one that eerily paralleled our own goals well as a state organization. We will select some of the findings from this assessment and further enhance our initiatives for the turf industry.

My friends here in South Florida know me as a competitor, a good listener, one who asks why too many questions and follows up well on details; but all for a purpose – to learn and grow. As president, I am eager to help make us better as an organization. I look forward to leading this outstanding team of professionals and know we will accomplish great things. As I recently told our board, feel free to call on me anytime if I can be of assistance in our mission.

Joe Pantaleo, FGCSA President

Chapter Round Up
Hurricane Recovery, Officer Rotation Top Fall Agenda

Calusa
Our chapter was at ground zero for Hurricane Charley’s landfall. Several courses have been severely hard hit and totally devastated like some of the surrounding residential communities. The destruction is mind boggling. The clean-up has begun but it is slow going.

Central Florida
No sooner had Scott Jamros taken over for Brian Lentz as chapter president than he accepted a vice president’s position with One Source Golf Management in an offer he couldn’t refuse. Chris Cartin, The Golf Club at Cypress Head, has moved up to the president’s chair. Congratulations, Scott and thanks for the many years of service to our chapter as the education chairman.

Parts of Osceola, Orange, Seminole and Volusia counties were in the path of Hurricane Charley and significant tree damage was reported on many area courses.

Secretary/Treasurer/Newsl etter Editor/Webmaster Brett Harris, Lake Nona Club, has been busy revamping the chapter’s newsletter and Web site formats. The members are pleased with the new look. Our chapter hosted a GCSAA Regional Seminar in Orlando with the legendary turf guru, Dr. Joe Vargas. His topic was “Turfgrass Management Systems.”

See Joe Ondo’s report on the 28th Annual Larry Kamphaus Crowfoot Open elsewhere in this section.

Coastal Plains
Jeff Heggen is pleased to report that membership in our smallest chapter has almost doubled this year.

Everglades
One of the first duties of an incoming president is to present a complete schedule of meetings for the new fiscal year. President Mark Black, CGCS, Quail West C.C. delivered the 2004-2005 meeting schedule with dates and sites, printed and laminated on business-size cards so members stick them in their wallets to have on hand when making plans. Our proactive meeting-planning technique was recently highlighted in GCSAA News.

On Aug. 25, Matt Taylor, Royal Poinciana Club was to host the first of several FGCSA Assistant Superintendent Career Skills Workshops to be held around the state. Superintendents were to get their crash at some PDI education points on Sept. 30 when we were scheduled to host Bruce Williams, CGCS and his GCSAA Regional Seminar topic, “Successful Project Management.”

North Florida
Andy Maguire will be serving as our new external vice present to the FGCSA Board. He presented a check for $5,000 to FGCSA President Joe Pantaleo to be used for turf research and other operational expenses like government relations.

Palm Beach
Our annual fishing tournament was another great success. Winning captains and their anglers were: Jim Sprankle – Sean O’Reilly (dolphin); Tom DeYoung – Mike McDaniel (wahoo); Craig Maret – Tim Rappach (kingfish). Captain Maret took top honors with a total weight of 134 pounds.

We are looking forward to our annual joint meetings with our neighboring chapters, South Florida in August and Treasure Coast in October. The inter-chapter golf competition is always good fun for all. In November we will host the USGA Green Section Regional Seminar in Palm Beach Gardens, which is always well attended. Many thanks to Immediate Past President Peter Powell for taking over external vice president duties for the chapter.

Ridge
Polk County took a severe hit as the eye Hurricane Charley moved through the area. Several courses like Lake Region, Mountain Lake, Grenelefe, Diamondback and Southern Dunes are reporting hundreds of trees down. Clean-up in some members have qualified to compete at the FGCSA Golf Championship in September: Ken Arsenault, Todd McKibben, Steve Moskos, Matt Siebel and Dana Anderson. Good luck guys.

cases will take months to restore normal operations.

Our chapter has become very active in a First Tee project taking place in Lakeland. The 50-year-old Publix Par 3 course is being renovated by golf course architect Steve Smyers, Toro is donating the irrigation system, Harrell’s Fertilizer will provide turf care products and Fred Ridley, current president of the USGA and Winter Haven native, is providing some grant money to help with the costs. We will help oversee the growth and provide ongoing consultation for maintenance operations.

Seven Rivers

Buddy Keene, formerly at the Gainesville G&CC, is now the superintendent at the Arnold Palmer’s Legends course at The Villages.

South Florida

The South Florida Golf Course Superintendent’s Association will be hosting its 20th Annual Benefit Tournament on Friday, Oct. 8, at Colony West Country Club. The tournament benefits the Florida branch of the National Center for Missing & Exploited Children. Committee Chairman Billy Entwistle Jr., pledged at last year’s event that the 20th anniversary tournament in October 2004 would generate $20,000 for the Center. The total donation for the past 19 years is $182,000.

Dale Kuehner, CGCS is the long-time superintendent of Colony West C.C. and he and his crew will undoubtedly have the course prepared for another fun and challenging day on a tough golf course. Colony West has been the host site for the past 10 years and has continually provided excellent support with competitive pricing to keep event costs down, resulting in higher donations to the center. Colony West’s management team always works very hard to ensure a successful event with assistance with everything from placement of a hot dog stand and sponsor signs on the course, to placement of vendors participating as on-course volunteers.

The South Florida golf course community has been very supportive of this event, with some vendors participating as sponsors for the entire 20-year history. Superintendent teams from the Everglades, Palm Beach, South Florida, and Treasure Coast chapters all participate in this annual event.

Randy Hunter took the President’s Trophy at our chapter’s annual meeting with a net 68. John Swaner captured the Vice President’s Trophy for our vendor members with a net 73. Overall Low Gross finishers were Bob Harper (first); Joe Pantaleo (second); Dave Oliver (third). The Low Net winners were: Randy Hunter as noted and Curt Conrad (second) and Jim Goins (third).
Suncoast

We are looking forward to our annual Pro/Superintendent Tournament Sept. 21 at the Mission Valley C.C. where Bill Tylde will be our host. In November we will co-host and participate in the annual November Grounds Management Seminar at Selby Gardens in Sarasota.

Treasure Coast

Chapter President Roy MacDonald reports that his Hobe Sound Golf Club was thrilled about hosting a U.S. Amateur Qualifier this past August. MacDonald says there was lots of pride in getting the golf course into shape for the event and even though the members had to give up playing the course for a day and a half, they came out and watched the event instead.

We had two chapter golf outings during the “dog days of August” with successive Friday golf matches: on the 13th in the northern part of the chapter at Bo Estey’s Quail Valley G.C., and at Kevin Downing’s Willoughby Golf Club in the south on the 20th. The matches are patterned after the Ryder Cup format. Players weren’t required to play on both Fridays, but it was encouraged.

West Coast

Chris Ansley, our external vice president, regretfully had to resign his position in order to devote more time to matters at his golf course. Bill Kistler has volunteered to fill in for Chris. Thank you Chris for all your past service and to Bill for stepping up to represent us in the FGCSA.

Florida GCSCA

The Executive Council for the Florida GCSCA consists of President Joe Pantaleo, Indian Creek C.C.; Vice President Craig Weyandt, The Moorings Club; Secretary Matt Taylor, Royal Poinciana Club and Immediate Past President Greg Pheneger. Directors from the 12 chapters for 2004-2005 are Greg Kriesch, Calusa; Mike Bellino, Central Florida; Jeff Heggen, Coastal Plains; Matt Taylor, Everglades; Andy Maguire, North Florida; Jeff Brown, Ridge; Buddy Keene, Seven Rivers; Jim Walker, South Florida; John VanVranken, Suncoast; Ralph Dain, Treasure Coast and Bill Kistler, West Coast.

We can’t say “Thank You” enough to the folks at Golf Agronomics Supply & Handling. They have been donating annually since 1990 and their contributions total nearly $50,000 in cumulative giving. Dale Mitchell, left, presents Greg Pheneger with a $3,000 check for 2004 at the FGCSA Annual meeting at Grand Cypress. Photo by Joel Jackson.
The Crowfoot Open was held this year at the Grand Cypress Resort in Orlando. Special thanks to Coastal Equipment, Inc. and John Deere Golf & Turf for becoming the first title sponsor for the event. Many thanks also to all the rest of our 2004 sponsors for their continuing support of this event.

The Crowfoot weekend began with the FGCSA annual board meeting and election of officers which was held on Friday, July 23. Saturday was open for golf practice rounds and for families to go to the Disney, Universal and Sea World theme parks. Saturday night, presenting sponsor Harrell’s/Polyon put on the traditional Crowfoot Reception at the Grand Cypress Clubhouse. Master of ceremonies Tom Alex did his imitation of Billy Crystal at the Academy Awards, only Tommy didn’t sing. After cracking jokes and one-liners during the door prize raffle, Alex turned serious as he described the history of the event and the long-time service and dedication of namesake Larry Kamphaus.

Tom’s eloquent and sincere recounting of Larry’s service to the profession, his employer (Disney) and his church and community served as a prelude to awarding the 2004 Larry Kamphaus Award to former superintendent Brian Jenkins. Brian recently retired from his job with the City of Orlando after serving at the city-owned Dubsdread Golf Club and in the Parks and Recreation Department. Brian served for more than eight years as the Central Florida Chapter’s secretary/treasurer and newsletter editor.

Sunday morning saw 164 players tee it up on the North, South and East nines and Director of Golf Tom Alex and his senior superintendent, Jim Sullivan, and staff had the course in its traditional great shape for all to enjoy. While most of the field played a Stableford point system to speed up play, those with 0-9 handicaps played regular stroke play to qualify for a spot on the FGCSA golf team competing at the GCSAA Golf Championship in February.

Thanks to presenting sponsor Howard Fertilizer and Chemicals for sponsoring the tournament.

It was a warm day out on the course but play moved briskly and we were done in four and a half hours. Everyone adjourned to the Villas Executive Center for the Awards Luncheon Presented by Golf Ventures to learn who would claim this year’s prizes and trophies.

Mark Henderson carded a par 72 to capture the individual trophy and the Central Florida Team won the Crowfoot Net Trophy. Team members were Bob Uppenkamp, Joe Ondo, Sean Duffy and Brett Harris. See the Crowfoot sidebar for more golf results.

A tip of the hat to Grand Cypress Food & Beverage Manager Billy Singleton and his staff for the good food and service at the reception and the luncheon. Special thanks to Jan and Bob Lloyd, Lisa McDowell, Tom Alex, Stuart Leventhal, Joel Jackson and Joe Ondo for their committee work to help make this another great event.

28th Larry Kamphaus Crowfoot Open

CFGCSA Honors Jenkins With Kamphaus Award

By Joe Ondo, CGCS

The Crowfoot Open was held this year at the Grand Cypress Resort in Orlando. Special thanks to Coastal Equipment, Inc. and John Deere Golf & Turf for becoming the first title sponsor for the event. Many thanks also to all the rest of our 2004 sponsors for their continuing support of this event.

The Crowfoot weekend began with the FGCSA annual board meeting and election of officers which was held on Friday, July 23. Saturday was open for golf practice rounds and for families to go to the Disney, Universal and Sea World theme parks. Saturday night, presenting sponsor Harrell’s/Polyon put on the traditional Crowfoot Reception at the Grand Cypress Clubhouse. While most of the field played a Stableford point system to speed up play, those with 0-9 handicaps played regular stroke play to qualify for a spot on the FGCSA golf team competing at the GCSAA Golf Championship in February 2005.
wishes to thank the following sponsors for their loyal support.
Bob Randquist, CGCS, the director of golf and grounds at the Boca Rio Golf Club in Boca Raton, has accepted the FGCSA nomination for candidacy for the office of GCSAA Director in the upcoming 2005 elections to be held at the Golf Industry Show in Orlando next February. It has been 22 years since a Florida superintendent has run for national office, when John Hayden, CGCS, from the North Florida GCSA was a director from 1982-84. Gary Grigg, CGCS, MG was already a GCSAA director from the Shadow Glen G.C. in Kansas when he relocated to Florida to build and grow in Naples National in 1991. He completed his remaining board service and GCSAA presidency while at the Royal Poinciana Club from 1995-97.

Randquist has been at Boca Rio since 1998 having moved here from the Southern Hills C.C. in Tulsa, Oklahoma. A veteran of public and private golf course service, Randquist has distinguished himself as a top superintendent preparing his courses for several national amateur and professional golf tournaments.

Randquist has also earned a reputation as a thoughtful and practical contributor to key GCSAA committees and resource groups. He served on two of the most crucial resources groups that addressed the Professional Development Initiative and the headquarters relocation issue. His other GCSAA service over the years includes stints on Conference & Show, Nominating, Public Relations, Chapter Relations, Research and Education committees. Besides his GCSAA service, Randquist has been a leader in allied association service with the Oklahoma Turfgrass Research Foundation, the USGA Green Section Committee (15 years) and he is a member of the Florida Turfgrass Association.

The FGCSA will be vigorously supporting Bob’s campaign for director by helping with brochure printing costs and hosting a hospitality suite for him in conjunction with our traditional FGCSA Reception at the national conference and show. Randquist submitted the accompanying letter of introduction to the voting delegates and to you and other GCSAA members who may not know him as part of his formal declaration of candidacy for the office of director.

The FGCSA will be vigorously supporting Bob’s campaign for director by helping with brochure printing costs and hosting a hospitality suite.
