The Oregon seed industry has won a reprieve from frightening legislation to ban field-burning, and researchers have recharged efforts to find long-term answers to the issue.

"It's status quo for 1989," said Dr. William C. Young, Extension agronomist at Oregon State University.

The Oregon House voted 34-26 against a bill that would reduce the number of seed-producing acreage that could be burned. Field-burning is the basic means the state's

Hyundai set to make its move

Hyundai Precision and Ind. Co., Ltd. will make its long-awaited entry into the American golfing arena when it exhibits its new golf car at the PGA's West Coast Golf Show in August.

Kwang-Heum Um, sales manager for Hyundai Precision in the United States, said the four-wheel-drive gas-or electric-powered golf car will be displayed at the Long Beach, Calif., Convention Center on Aug. 19-21 and he hopes to have it on the marketplace nationwide next February.

"We hope to find good dealers and distributors for our product at the West Coast show. We will show our product to them then,"Um said, adding that Hyundai is not negotiating with any dealers now.

He said Hyundai also will start developing
