Introducing a smoother rake at a smoother price

Notice anything different about Tour Smooth™, the new and affordable bunker rake from Standard Golf? We'd be surprised if you didn't. It's the all-American answer to Canada's popular Accuform. And a much better buy! • Tour Smooth rakes are based on our long-lasting, hard working Duo-Rake, yet feature shorter teeth and a curved 15", high-impact, molded plastic head. As the teeth rake the sand into place, the curved head follows behind, automatically leveling all those little ridges. Add our sturdy fiber-glass or aluminum handles, and you'll have a smoothing tool that leaves the sand in perfect playing condition. • Why get trapped with an inferior — or more expensive rake?

Contact your nearby Standard Golf distributor and ask about Tour Smooth. They're the smoothest bunker rakes in the business.
