MEMPHIS, Tenn. — Teledyne Total Power has appointed M-K Power Products Corp., of Mississauga, Ont., as its distributor for Canada, representing the Wisconsin, Wisconsin Robin, Continental and Continental "R" product lines. M-K Power Products, headquartered in Mississauga, Ontario, is prominent in the Canadian industrial engine market, and distributes construction equipment to a broad customer base.

As a full-line distributor, M-K Power will offer Teledyne Total Power engines, replacement parts and collateral materials.

It will also provide a complete range of technical assistance and after-market support services to dealers and OEM's throughout the Canadian markets.

LandCadd Int'l and Toro forge new relationship

The Toro Co. has joined LandCadd in an agreement to market and distribute Irripro™, an irrigation design program developed by LandCadd. Toro will market and distribute the Irripro package through its distribution network.

Irripro features the capability to automatically handle sprinkler layout and automatic pipe sizing while locating them on the drawing completely with quantity take-offs. The program is based in AutoCAD and was designed exclusively for use with Toro equipment. User-defined data files allow the user to incorporate all related equipment needed for irrigation systems as well.

LandCadd users can prepare contour maps and site analyses, plan the site, design landscapes and more.

Weeds are to turfgrass what hot, sticky wads of gum are to astroturf.

They're aggravating, unyielding, and downright offensive.

So in order to keep weeds off of your turf, you need a tough preemergence herbicide. All these criteria

One that's dependable, yet economical. One that won't color your cart paths a sick pink.

is Pennant. And although it's brutal on stubborn weeds, beautiful, your center 怎么可能 Pennant herbicide.

It won't stunt or otherwise harm the warm-season turfgrasses on fairways as well as non-tinededgrass stunning, and your St. Augustine grass awesome.

Apply Pennant by impregnating it on fertilizer or simply spraying.

Since weed protection lasts up to 4 months, all you'll have to worry about is Pennant to keepPennant to keep the meantime is too much rain, too little rain, too many pests, and divot-digging golfers.

Pennant
