DeHays saves courses
time and money with
newly designed facilities

M
aintenance shed no longer an afterthought

DeHays stands in front of one of his specially designed maintenance sheds.

You don't design a building until you know the size or amount of space necessary to perform the function the building is meant to do.' — Hottes DeHays

The TOP
Top Dresser
Mete-R-Matic III

95% Customer Satisfaction

Course superintendents know who's the best. Surveys show they choose Turfco's Tow-Type Top Dresser for superior performance. The new Mete-R-Matic III Tow-Type lowers PSI by one-third with its unique ground-driven design. It's the best Turfco top dresser yet!

- Huge 22.5 cu. ft. capacity
- New 6-wheel design lowers PSI
- Distributes evenly
- Ground driven, no engine, no hydraulics
