We've got three important points to drive home about Dimension.

Now it's easy to get long-lasting weed control, without the worry of turf injury...because Dimension® has you covered.

Turf Safety
Dimension turf herbicide offers exceptional turfgrass safety. You can apply Dimension on a variety of warm- and cool-season grasses—even on bentgrass. When you use it according to label directions, Dimension will not cause turf discoloration or root injury.

Weed Control
You can use Dimension with confidence for outstanding control of a broad spectrum of grassy weeds—including goosegrass and crabgrass. Break-through chemistry in Dimension turf herbicide gives you longer-lasting results, plus both preemergence and early postemergence® control of crabgrass.

Ease of Use
Dimension is less affected by many preemergence products. Plus, you can conduct normal fall overseeding three months after an application.

It's no wonder more and more pros are selecting Dimension. Join the club. Call: 1-800-323-1421.
