Byrd creates Golf Course Properties, Inc., to specialize in acquisitions and sales

CLEARWATER, Fla. — Bobby Byrd, president of Bobby Byrd Real Estate, has established a new company called Golf Properties Real Estate, Inc. to specialize in golf course acquisitions and sales in Florida and across the nation.

Byrd and his partner in the venture, Robert McGrath — president and chairman of Golf Car Systems, Inc. — have named Richard Farrell president of the new organization.

Farrell has extensive expertise in the golf course industry. Most recently he served as senior vice president of Nicklaus/Sierra Development Corporation. He also presided over F.G.L.I., Inc., developers of golf properties in Florida.

On a more local level, Farrell was president of Bardon Moor Properties, developer of Bardon Moor Club in Seminole, Fla. There he was responsible for all marketing and operational aspects of the country club, in addition to the development of more than 1,800 residences.

According to Byrd, with the reduction in golf course construction over the next few years, he expects to see the market for golf course acquisitions to swell. Golf Properties Real Estate, Inc. currently represents a variety of groups interested in acquiring courses across the nation.

Golf Properties Real Estate is located at 710 Grand Central, Clearwater, Fla., 34616. For more information, call 813-447-GOLF.

Regular use of Regal Crown root growth stimulator exhibits phenomenal results. Turfgrass types such as bermuda, bent, zoysia and others develop more roots that are healthier and penetrate deeper. More roots imbedded deeper into the soil means better nutrient and moisture uptake by the plants. A variety of groups interested in acquiring courses across the nation.
