POLK COUNTY, Fla. — Ridgewood Lakes Golf and Country Club, a master-planned community near Haines City, debated as an 18-hole course in late November, 1993. “First and foremost, this new course promises to be lots of fun for golfers with challenge for all skill levels,” said designer Ted McAnlis. “Though not severe, Ridgewood is no pushover.” The 7,016-yards, par-72 layout stands as a private-club open for public play. Muni Indian Peaks opens
LAFAYETTE, Colo. — Indian Peaks Golf Course, a Hale Irwin-designed municipal course, has opened for play. A 168-acre, 18-hole golf course located within a 650-acre residential community, Indian Peaks was built on the Beáuprez and Pizek family farms. The development concept focused on outdoor living, sensitivity to the environment and a feeling of open space. “This is not going to be Colorado’s most difficult golf course. That’s not the intent,” said Irwin. “This won’t be unplayable, it will be fun. It should have enough variety and challenge to appeal to people of all abilities.”
