The new turf sweeper that puts you in control.

Introducing the Sweep Star 600 – the only pull-type turf sweeper that lets you handle every control function right from the operator's seat, quickly and easily.

Thanks to its new electronic remote controls, you can start the powerful Kohler Command 20 hp engine, control all sweeping functions – even dump the large-capacity, full-loading hopper, without ever leaving your seat. And its exclusive full-floating, adjustable-height, single sweeping reel picks up everything ... pine needles, grass, leaves, cans ... without gouging the turf, even on wet and uneven ground!

The only pull-type turf sweeper that keeps you in the driver's seat. Make a clean sweep – the Smithco way – with the Smithco 600.
