ST. CHARLES, Mo. — In a move aimed at doubling employment during 1997, King Safety Products has announced the appointments of Henry Witz as national sales manager of its retail division, and Kay King as sales associate.

Witz will lead King's expansion in the DIY market with safety sealed wire connectors, ergonomic tools, cable ties and wire lubricants. Witz was sales manager at Pelt Electric Company, national sales manager at Calitlhelm, Inc., and field sales manager at Klein Tools.

With the introduction of two new lines of twist-on wire connectors in 1996, King began to broaden its line to move closer to its goal of a "one-stop shopping" source of electrical items and related tools and supplies.

In other King news, King named Douglas D. Hemphill general manager.
