After manufacturing over one million dependable battery chargers, why is this ad the most memorable thing we've produced?

The fact that our chargers are so forgettable is what makes them so remarkable. After all, the last thing you want to think about is whether or not your golf cars have been properly charged.

For over 30 years we've manufactured the golf industry's finest battery chargers under strict quality controls. Many carry the Lestrionic label, while others are private labeled. Whether you know it or not, you probably already have a Lestrionic charger in your car barn. And if you don't, you probably should.
