Marsh, Landscapes team up in Kentucky

Old Silo was chosen as the name because the property has been a farm for more than 100 years and there is an old silo on the property that will be restored and maintained as a landmark.

Old Silo will feature multiple tees for players of all abilities and the course will measure 7,000 yards from the back tees. It will feature holes that play along the ridges with vista views as well as holes that run along the creek bottom with many trees and other challenges. There will be a complete practice facility featuring a driving range, putting and chipping greens as well as practice bunkers. The clubhouse will have a fully staffed pro shop, bar and grill, and will offer players all the amenities usually found in a country club setting.

Old Silo is expected to open in October. The ownership team of Marsh and Kubly will operate and manage the facility, which will promote junior golf, host golf leagues as well as tournaments, and encourage players of all abilities to enjoy the course.

Graham Marsh said: "The site for Old Silo is one that allows us to design and build a first class golf course that will challenge players of all levels."
