FINANCING the Ryder Cup team is a rather serious task and there is still some work to be done before the expenses of the team of American pros are met.

The P. G. A. exhibition matches have done a good part of the financing, the various golf supply interests have done their share and now the balance is up to the golfers and the clubs.

Contributions of any amount will be cordially welcomed by the Professional Golfers Association of America. Checks should be made out to the Treasurer, P. G. A. of America, and mailed to 366 Fifth avenue, New York City.

The Ryder Cup team will sail on April 10 for the International professional matches, so no time is to be lost in forwarding checks.

Cleveland District Has Official Archery Rules

February issue of The Putter, excellent house-organ of the Westwood Country club, Cleveland, O., contains the archery golf rules of that club which have been adopted as official by the Cleveland District Golf Association. This number of The Putter also contains the report of the treasurer, E. W. Doty, which is an ideal presentation of a golf club's financial affairs.
