Brothers Co. has made a complete study of lawn and greens maintenance and recommends most strongly that regular spray applications be made. Looking toward a control of these troubles rather than waiting until trouble develops before taking action, a systematic control chart has been worked out which can be had free by addressing McClain Brothers Co., Canton, Ohio.

**REDDY TEE BUSY AT NEW JERSEY HEADQUARTERS**

Newark, N. J.—Reddy Tee Co. has moved from New York and now has headquarters located at 241 Springfield ave., Newark. Telephone is Essex 3-2971. All lines other than the Reddy tee have been discontinued by the company which now is putting plenty of heat on Reddy tee sales. New retail price of two boxes of Reddy tees for 25 cents—15 cents a box—have been established. Stickers announcing the change in retail prices have been sent to the pros.

The company now is supplying the pro trade through jobbers so the pro can centralize his buying.

The new deal gives the pros a better profit on Reddy tees, say its makers, who also point out that it has been the “infringers” and not the original Ready tee makers who have played the devil with the pro business and profits on tees.

**McGREGOR PLANT RECOVERS QUICKLY FROM HURRICANE**

Dayton, O.—A hurricane which caused a property loss of a million dollars in Dayton on May 9th struck the plant of The Crawford, McGregor & Canby Co. with an estimated damage of $150,000. The seasoning sheds in which are stored thousands of persimmon heads going through the seasoning process were completely razed but without harm to the contents.

In spite of this damage, the McGregor organization resumed manufacturing operations the following day and regular shipments were leaving the factory 48 hours later. H. B. Canby, president of the company, said, “The most disheartening thing about this storm is that it completely destroyed a number of fine old trees around our plant. Today they lay stricken and dead and all the tornado insurance in the world cannot bring them back. If you have ever lost a tree you can appreciate our feelings.”

An advertisement in GOLFDOM saves the club officials time and money by getting responses from the best men available. The club department heads who advertise for positions in GOLFDOM obviously identify themselves as men who go after their problems in the right way. They are good men for you to give preference.

**WANTED SALES REPRESENTATIVES**

Men who know the pro trade and are calling on it are wanted on a commission basis to sell the Swingmaster, which is strongly endorsed by foremost golf instructors as the best teaching and practice introduced for years.

Many pros are selling dozens of Swingmasters monthly at a good margin of pro profit.

Interesting proposition for sales representatives but we will tie up only with workers who really know the pro trade. Tell details of your connection with pro trade, plans for making your territory and furnish references in first letter.
