Menu Cover Adds Distinction—An attractive menu cover, inside of which is the customary printed and mimeographed menu, is one of the details that adds distinction to country club service, says Don Rapleye, manager of Wampanoag CC, Hartford, Conn. The Wampanoag cover is a large and striking varnished cover job on which a bold poster illustration of a lobster appears.

Rapleye on his a la carte menus gives members and guests their choice of appetizers, soups or a glass of claret, port or sherry. He says selection of wine has been increasing steadily.

He serves small London biscuits and Maggi sauce as appetizers with wine.

Should Fee Course Charge for Lockers?

A PROMINENT daily fee course operator suggests that fee courses study the locker facilities at bowling alleys.

Says this man:

"Free lockers at bowling alleys help to promote bowling. I'm wondering if we can't increase play at some of our courses by offering free lockers and making a small charge to cover towel use for showers?"

"There is no doubt of free club storage being a factor in getting return play. The inconvenience that players undergo lugging clubs and clothes back and forth does nothing to increase golf play. I don't believe in providing free, steady storage of patron's golf apparel, but I do think that we will make habitual patrons of our courses by allowing players to store their clubs free at our clubhouses."
