champion, was well among the leaders, as also was his older brother just out of the marines, Willie, Jr. Willie, Jr. is one of the longest driving young golfers on the Pacific Coast, and with a bit more tournament experience is going to be mighty hard to keep down.

Still others were Julie Bescos of the Virginia CC, Long Beach, whose 73-67—140 got him into the money; Pardee Erdman, making a return to golf competition after his navy chaplain duties; Jimmy McLarnin of Lakeside, the ex-boxing champion; Johnny Weismuller, John Carroll, Richard Arlen and others of the movie colony, all contributing to the color and glamour of this revival of pleasure resort golf cycle.

Larry Gleason, new pro-manager of the Island's Visitors' course, was hardly ready for the influx of the "gang" this year, having only recently taken over his chores at Avalon and completing a much-needed renovation and remodeling, but he and the new Mrs. Gleason—Alice to all the golfers—did a grand job, as also did Alma Overholt, Floyd Gillette, J. A. "Pat" Patterson, Otis Sheppard and others of the Catalina official staff.

Only 9 holes were opened for play, making four trips over the links necessary. The fact that Hixon, who is, incidentally, the only golfer ever to win the title more than once, won the "Oscar" with a score 6 over par is indicative of the test of golf it contains.

Hixon shot 70-64—134 over the par 64-64—128 course for the 36-holes. Frank (Bud) Taylor, 37-year-old dentist from Pomona, making his first competitive appearance since returning from service as an Army dental surgeon in the European theater of war, finished second with 67-68—135, while song-writer Ralph Wolf of Hollywood grabbed the show money with 68-68—136.

Larry Gleason, pro at Catalina, and his wife, post the scores in competition for the island's "Oscar."

As many clubs have caddie championships Davis suggests that district qualifying rounds bringing together club caddie champions be held. In districts where the

This was the field at the initial National Caddie championship at Columbus, O. last year. This year's entries are far more numerous.
These stainless clubs stay bright, feel right

THEY have the same "sweet" easy feel as the finest iron you ever swung. The club-heads are made of a special ARMCO Stainless Steel.

This special steel offers all the added advantages of Stainless. It is solid, bright metal all the way through ... no plating to wear away when you buff off nicks and scratches. And it cleans in a jiffy ... stays bright round after round.

Pros who have used them say clubs of ARMCO Stainless put new luster in any round. Write for the names of famous club-makers now producing these irons.

CARNOSTIE PROS RAISING FUND FOR OLD CLUB

Francis Gallett, pro at Blue Mound G&CC, Wauwatosa 13, Wis., and George Fotheringham, pro at Hollywood GC, W. Roseld Ave., Deal, N.J., met during the winter at Carnoustie while both of them were on a visit to their birthplace.

Francis and George found that the Carnoustie club needed considerable help in modernizing its clubhouse. Among other facilities needed are showers. The numerous and urgent requirements of the club
