GOLF GLOVES GO TO SCHOOL—Reading, writing and arithmetic have given way to sizing, stitching and sewing in this Peoria, Ill., school building! Purchased in May of 1946 by the K. L. Burgett Company—manufacturers of golf gloves, including PARGLOV, PARGRIP, and FULPAR—this former Lutheran school building now serves as general offices, shipping department and factory. Its production is supplemented by that of the firm’s plant at Roanoke, Ill. Mr. Burgett invites pros and golf equipment dealers to visit him and inspect the remodelled building and its equipment.

"LOOK AHEAD WITH JACOBSEN" is title of new booklet depicting quarter century of progress in the manufacture of power mowers by the Jacobsen Mfg. Co. One of the pioneers in the development of the power driven mower, the company has enjoyed a steady growth since its founding in the early twenties. Under the direction of Oscar T. Jacobsen, pres., and Einar A. Jacobsen, vice pres., the company's sales and advertising policy backed by sound engineered products has earned an established reputation for the Jacobsen equipment throughout the country.

NEW COURSE EQUIPMENT HOUSE—David D. Gustine is opening a new golf course equipment house in Shreveport, La., nerve center for the area which takes in southern Ark., east Texas, and northern La. Gustine’s new business will operate under the name of Ark-La-Tex Speciality Co., 417 E. 70th St., with complete sales and repair service for power equipment and golf course accessories. Among the lines on which Gustine will handle sales and service are Toro mowers, Buikner sprinklers, Standard Mfg. course accessories, Swift Vigoro and Page fencing.

NEW LINES FOR PRO SHOP—Joel Bennett, one of Frank Walsh’s assistants at Red Run GC (Detroit dist.) suggests that bowling equipment might be a good pro shop item for fall at clubs that have bowling leagues. A lot of pros bowl with their members as well as play golf with them. Joel also says archery ranges should be investigated by clubs that want to keep members coming all winter. He adds that archery equipment would be a pretty good profit line for pros at such clubs.

GOLF TEEING DEVICE—Automatic manually operated ball teeing device for golf ranges and clubs which has specially designed 100-ball hopper; 60 inch, rubber mat covered platform constructed of 2½ inch angle iron guaranteed against breakage for two seasons; can be installed in 10 minutes and is simple to store. Manufactured under trade name of Prestoe Golf Tee by Otto Hardt, 7501 Lyndale Ave., So., Minneapolis 9, Minn.
