clubs and plenty of lessons. Slowly a program was being evolved, and the feeling against the course was being licked with more and more golfers becoming interested.

From the outset Bertholy organized golf leagues which grew more popular as time went by, till four leagues were in operation and the country club in town had also copied the plan with a ten team league of its own.

**Revives High School Interest**

Bertholy went before the high school and lectured on golf to the interested students. The high school golf team had been dropped due to lack of interest. Bertholy revived this interest with free lessons to both boys and girls, also furnishing free balls and clubs. The most talented of Bertholy’s young followers proved to be a boy named Leo Biagetti, who promptly set the junior state golf circles on fire with his talents. Golf interest began to mount. Leo won the Toledo District Junior Title three years running, smashing records right and left. He copped the city and county titles. Chick Hendrickson, a Plum Brook caddie, was given the opportunity to play by Bill Gordon, the Plum Brook pro. and golf was on the move. Chick won the National Caddie tournament at Columbus in 1946.

In 1947, a Sandusky high school team of Leo Biagetti, Chick Hendrickson, Pete Koelsch and Art Kurtz walked off with the state high school golf championship, with Leo, who had already won the Ohio Junior crown, succeeding Frank Stranahan, now annexing the state high school individual title as well.

Today Plum Brook CC has about all the members they can handle and Mills Creek course is busy from sun up to sun down. Bertholy has finished his new project, his golf range. Bertholy left the city course in the fall of 1946 and by the Fourth of July had completed his modern range, incorporating his own plans. The eight most promising high school boys receive their practice free at the golf range and Bertholy predicts another really tough team by 1949.

Some of the promotional stunts that Bertholy feels helped the growth of golf were the exhibitions of pros that Bertholy staged and the new novel tournament that he held. He personally underwrote bringing Byron Nelson and Jug McSpaden to Sandusky in 1945 and his city handicap tournament drew fields of 128 for four years in a row.

At nights when you see the sky lit up with 77,000 watts of electricity that is Bertholy's newest way of writing golf on the Sandusky horizon.

The biggest item a club has to sell is service, and the bigger and finer the club the greater the problem of providing perfect service.

***

Contact and thorough training will make perfect service a habit, just as surely as lack of training will make slack, inefficient service a habit.

***

**You've got to be good to keep ahead.**

***

Temperature control is essential for economical operation of both heating and cooling equipment.

***

Superior features of beauty, safety, sanitation and light make for successful modernization of club.

***

Dependability has no substitute.

***

Put braces on furniture that has become loose in the joints.
