Total revenue for the fiscal year ending in June at the Palm Springs muny course was $207,000, up about $33,000 over the previous year. Increase in rounds played was about 1,600. Florida section of the PGA sponsoring first Junior Championship at Temple Terrace G & CC, Tampa, Aug. 14-16. Girls and boys between 11 and 18 will compete.

Here's the dope on the golfing Cupits. 24-year old Jack goes to brother, Buster, when his game needs repairing. Smith, Ark. Jerry, 26, is pro at the Lions public course in Eldorado and David, 28, is at the Magnolia (Ark.) CC. A sixth brother is in the Air Force and the seventh is a welder. USGA, 40 E. 38, NYC 16 for it... It is free... Residents of St. Andrews complaining that they can't get on any of the golf capital's four courses because visiting parties grab so much of the playing time with "block bookings."

Sponsors of Denver Open making fiery protest about PGA approving conflict of "world series" television match at Firestone CC, Akron, Sept. 8 and 9, which will screen winners of US and British Open, Masters and PGA in match for $50,000 first money... In this event if one pro wins more than one of the four championships, the substitute or substitutes will be named by PGA... What makes this deal puzzling is that the PGA last year warned Palmer that he'd be suspended and fined if he played as member of the U.S. team in The International Golf Assn. event in Puerto Rico while the Memphis Open was being played... This year, Palmer as Master's champion, gets PGA approval for play in a TV show conflicting with the Denver tournament which had its date on the PGA tournament calendar long ago.

Al (Chappie) Chapman now pro-mgr. Catalina Island G&CC, Avalon, Calif... Chappie's talking about getting a big tournament, possibly a Senior event, with top prize being the $10,000 cup Wm. Wrigley bought as the Bobby Jones trophy... That was played for in an amateur invitation tournament when the L.A. Open was new... Chapman's wife, Grace, and their daughter, Carole, are with him in the Catalina operation.

Jack Nicklaus is a slow player but certainly not the slowest among the pros... Slowest we've seen in major competition in the past few years is a young pro who has won some state titles... Those who are condemned to play with him says he drives them nutty... He has lost a chance for a golf writers' buildup by taking so much time on a shot he seems to be dead.

Art Race now pro at Ribault G&Yacht Club, Ft. George, Fla... Colonie CC, Albany, N.Y., sells its 57 acres to Sears-Roebuck Co. as shopping center site... Selling price $1,337,000... Colonie will buy new course and vacate present one before Oct. 1, 1964... Ron Green, golf writer, Charlotte (N.C.) News says Junior classes of pros has been "greatest stimulus" of golf's recent great growth... Charles Schneider, jr., pro at Mike Sloan's new Malvern (Pa.) GC.

Straight Line Aerification

There is no Substitute For Straight Line Aerification

The EXCLUSIVE STRAIGHT LINE construction of the West Point Grasslan Aerifier® enables the cultivating Spoons to remove more soil from the high, hard spots because RIGID construction FORCES PENETRATION into the areas that specially need aerifying . . . while at the same time preventing over-penetration in adjacent soft spots. Soil is removed in a LEVELING ACTION that improves playability on the entire area.

In addition to STRAIGHT LINE construction, the Grasslan has these important features: DEPTH ADJUSTMENT . . . FLEXI-PRESS . . . WEIGHT RACK AS STANDARD EQUIPMENT . . . 25% MORE SPOONS . . . AND CULTIVATING ACTION.

British writers in Corcoran Cup matches at Turnberry, Scotland, in July by a 3 to 0 count . . . Women’s Southern Golf Assn. has designated May 6-11, 1963, as dates of its 48th amateur . . . Tourney will be played at Riverdale CC in Little Rock, Ark. . . . Ken Hubble, formerly supt. at Quail Creek in Okla., is the new supt. of golf for the City of Phoenix, Ariz. . . . Lake Toxaway CC, under construction in N.C., has bought the Moltz mansion, a mountain showplace, and 34 acres of surrounding landscaped grounds.

Willowick in Santa Ana, Calif., which seems to be the home of the hole-in-one, reports five aces for the month of June, bringing the year’s total to 14 . . . Last year, 22 single-strokers were scored there . . . Fifteen spots along the East coast, from N. H. to Fla., have been designated as “Distinguished Golfing Resorts” by the Robt. F. Warner Corp. of New York . . . Ridgewood CC in Waco, Tex., selects an “Employee of the Month” and gives him a $25 bonus and an extra two-day vacation . . . Shareholders did much of the work in building the Meadowbrook CC, Hartley, Ia., which was put into play about a month ago . . . Everett Dunn of Hartley designed the 9-hole layout and Bob Petrucka, pro at Falls City (Neb.) CC, supervised building of the greens.

Players are hoping the National Open will “modernize” in 1963 by going to four days instead of jamming in 36 holes on Saturday . . . Gary Player’s two-foot putt that won the PGA was at the rate of more than $700 an inch — $13,000 from the PGA and a $5,000 bonus from Jack Harkins of First Flight . . . That beats the price of real estate in the Kimberly diamond mines . . . The stands at Aronimink were packed with customers who got to see more golf from their bleacher seats around many greens than ever saw much of a major tournament in recent years.

Hospitable Aronimink did a nearly perfect job of putting on a PGA tournament . . . Mistakes were due to advice, not reluctance to go the full route in making the guests happy . . . The pairing sheets, sold daily for 25 cents, didn’t carry a scorecard or a map of the course . . . After people pay to get into the PGA or the National Open they ought to get free pairing sheets so they can identify the players instead of being subjected to (Continued on page 98)
Swinging Around Golf (Continued from page 65)
a nickel-grabbing racket.

The press tent at Aronimink was too small for efficient or comfortable work but tournament mgr. Jim Gaquin, his wife, Lois, Doc Giffin and scorekeeper, Ken Everett, saved the day for the PGA... They usually do... There were a lot of laughs about the antique typewriters in the press tent... Lincoln Werden of the N.Y. Times said the one he drew should be sent to the museum at Golf House... Dudley Green of the Nashville Banner claimed that relic provided him had on its roller a yellowed and flaking piece of copy paper on which the previous user had written the dateline, "Little Bighorn", then ran eastward when he saw what the Injuns were doing to Gen. Custer and his men... Graham Ross, pro at Dallas Athletic Club CC where the PGA will be played in 1963, and a delegation from Columbus (O.) CC where the 1964 PGA will be player were at Aronimink studying the tournament operation.

Talk of pros at the PGA tournament and around the country confirms the hunch that PGA officials with their tight censor-
