Dan Sikes, U. of Florida law graduate, who won Doral Open, looked good again when he played in his first Masters . . . He came out with $1,100 . . . He made expenses and then some at Houston, picking up $625 for the pool that is split with the 50 Jacksonville, Fla., businessmen who finance his golf career.

CC succeeding Henry Kaiser who retired . . . Jim Porterfield now has pro assignment at Oak Knoll CC, Ashland, Ore.

The instant a guy pokes an arm into a sleeve of a Masters green coat and writers begin talking about his chances of a Grand Slam . . . That puts added pressure on the Masters champion in the US and British Opens and the PGA . . . Jack Nicklaus, though, doesn’t seem to be too sensitive to pressure . . . The lad is lucky and knows it and that may offset some pressure . . . Luck such as the free lifts out of casual water he got following poor shots on the Augusta National course, is the kind that only a champion has . . . Wasn’t it Napoleon or his publicity guy who said: “Luck? I make my luck!” . . . With a little bit of luck Sam Snead could have won the Masters . . . Snead, in spite of his winning more tournaments than any other golfer, is the unluckiest of all at absolutely the worst time . . . Or, could it be that he starts to think when instinct would do better?

That steady, heavy April shower, falling in bucketsful all Saturday at Augusta, showed that Nicklaus has the champion’s shots under unfavorable conditions . . . In his fling at the National Open, Big Jack will find the Country Club of Brook-

The ninth green and the clubhouse of the Williams College GC, Williamstown, Mass. are seen in the photo. This historic course was built in 1896 by the Taconic Golf Club. It plays to about 6,500 yards. Dick Baxter, who is both pro and superintendent here, recently started his 40th year with the Club. The Taconic, as the course is known, was the site of the 1956 USGA Junior Championship and in 1958, the NCAA held its annual tournament here.

Bob Charles, in winning Houston Open and $10,000 with a 12-under-par 268, gave left-handed golfers the biggest boost they've had ... The handsome New Zealander is right-handed in everything but golf ... He won the U.S. Lefties' National Open at DeSoto Lakes G & CC, Bradenton, Fla., last fall by 21 strokes ... He represented New Zealand in Eisenhower Trophy competition, then turned pro and played for New Zealand in the Canada cup event ... Another performance at Houston that got the customers talking was the third place finish of amateur Homero Blancas, Jr., with 270, a stroke back of the veteran, Fred Hawkins ... Blancas, 25-year-old University of Houston graduate, is the son of one of Supt. Bill Leonard's staff at River Oaks CC ... Homero poured in a fourth round 64 ... He got $000 for finishing a stroke better 6,704 players in March ... Two years ago when 6,101 players teed off in March the city fathers thought they had a record that would stand up ... Receipts for last month exceeded $35,000 ... Eddie Golen, former assistant to Ralph Haas at Transit Valley CC in Elmhurst, N.Y., has succeeded Toby Lyons as head pro at Moonbrook CC, Jamestown, N.Y. ... Al Burns now pro at Lancaster (N.Y.) CC, succeeding Joe Savodny.

ahead of Jack Nicklaus... The Masters champion won $3000 for his work.

Labron Harris, Jr., son of the professional at Lakeside CC, Stillwater, Okla., who coaches the Oklahoma State University golf team, was the top amateur in the Masters... Harris, Jr., National Amateur champion, had a stage-fright start with a 79, then went on to 71, 73, 75 to finish 12 strokes back of Nicklaus... Last year at the South Central PGA meeting in Tulsa, Harris, Sr. had lads from his varsity squad demonstrating his putting instruction device... Harris, Jr., gave an impressive demonstration of putting at Augusta... There may be something to that putting instruction gimmick.

Nothing exciting came out of the press session of John M. Winters, USCA president, and Lou Strong, PGA prexy, during the Masters... John and Lou agreed there should be only one set of rules... But whose?... After USGA and R&A meeting on rules this month you can be reasonably certain the present rule permitting the flagpole to stay in the hole will be tossed out of the book in 1964.

Tournament pros want club limit raised to 16 or, at least, they want the 14 club restriction tossed out and no limit put on...
Club professionals differ on a 16-club limit... Some are afraid the increase might give competing retailers too much of an advantage with their smaller or open sets and a larger price differential, especially on women's and beginners' clubs... That would be tough to buck. With around 75 percent of all top grade 14-club set sales at pro shops involving acceptance and resale of used sets, a number of successful pro businessmen are concerned about what would happen if the trade-in sets ran up to 16 instead of 14 clubs... These fellows say the 16-club proposal is something for manufacturers to consider cautiously because of risk of a negative effect on the top-grade club market which club professionals have made and are maintaining despite fierce low price competition.

Club pros who are uncertain about what a 16-club rule might do to their business say they wouldn't worry if there was a strong demand for 16-club sets from the millions of amateurs who pay for their clubs... Some club pros, taking the other side of the subject, say that if the tournament pros played with 16 clubs the 100-shooters also would want that many... At the Masters, numerous pro stars...
were carrying two or three woods and putter, and the rest of the 14 clubs were irons.

Horton Smith played in his 27th Masters using a golf car, the first player in Masters history to be allowed to use a car. He got a 91 with a lot of putts and wasn't shy about turning in his scorecard. Horton's high-hearted, uncomplaining battle against illness and the handicap of major surgery have the MDs thinking they may be learning something from his example. He is regarded as one of golf's top teachers and other pros consulted him often at Augusta.

Craig Wood, winner of the 1941 Masters and 1941 National Open, a pretty good Junior Slam, was paired with Smith. Craig has been ailing painfully with something like gout in his fingers and toes. Now it looks like he's got it whipped. Craig is spending considerable time at Freeport, Grand Bahama Island, where Dick Wilson is putting in 18 holes as a feature of the Lucayan Beach hotel development, a Canadian capitalist's enterprise. Charles T. Craddock, formerly at Boca Raton, will be in charge of hotel operations.

All surplus income from the Thunderbird Classic, June 13-16, at Westchester CC in Rye, N.Y., goes to the United Hospital building fund... Last year, the Classic produced $70,000 for charity... Seven clubs will participate in the Combined Jewish Appeal interclub tourney in Chicago in mid-June... They are Briarwood, Bryn Mawr, Green Acres, Idlewild, Ravishoe, Twin Orchard and Brookwood... Last year the interclub players raised $2,300 for CJA... Pebble Beach (Calif.) golf links won't be operated on an open basis after July 1... It's been getting too much play... Women's West Texas golf tournament to be played June 10-14 at Wichita Falls (Tex.) CC for the 28th time.

PGA tournament bureau isn't happy with sponsors that hold invitational tourneys... The Colonial, staged annually in Ft. Worth, is on the pan because it is alleged it slights some of the leading players when it sends out bids... Don January originally wasn't invited to this year's Colonial because of an incident that happened in 1962... Prize money and Ryder Cup points that would normally accrue to players' credit in the Colonial, aren't being honored by PGA this year... Tournament bureau also doesn't feel kindly toward the Tournament of Champions officials... Only 27 players started in this year's Las Vegas affair... The PGA wants a minimum of 65 and prefers to have 85 of its regulars in all tournaments... One thing that has eased the pressure on the Tournament of Champions is that a counter attraction is held in Burneyville, Okla., the same week it is played.

Six hour wait still in order at the new Douglaston Park muni course in New York... It's the first addition to N.Y. municipal layouts in more than 25 years... Skinner Graham is pro at Douglaston... He moved in this spring after being at Staten Island's Silver Lake for 25 years... Vince Sullivan, assistant pro at Metuchen (N.J.) G & CC since 1960, now is the head man... He takes the place of Monte Norcross, who recently was named pro at Rutgers U. CC in New Brunswick... Sullivan had a pretty good record in 1962 in some of the sectional pro tournaments.

Pays An Average of $12.00 PER HOUR

That's what owners of MODERN lawn mower sharpeners in garden stores throughout the country tell us they average. Many tell us the MODERN sharpener has paid for itself several times over the first year.

No Need to Remove the Reel

Sharpen the bedknife and the reel in the mower with a MODERN sharpener. It's simple to operate. The entire mower raises easily to the proper height. A single hand lever brings the reel and bedknife into position . . . ready for sharpening.

- Precision Results -

The MODERN sharpener precision grinds to tolerances of 1/1000 in. or better. That's equal to splitting a human hair 3 ways!

A Model for Any Mower

There's a MODERN sharpener to handle any job . . . including mowers with blades up to 53 inches wide. With the optional Rotary Blade Holder, you can sharpen and balance rotary blades, too. Other attachments available for sharpening planer blades, jointer knives, ice skates, and scissors . . . all on the same machine.

Loeffler's operation of Washington's five municipal courses . . . In 1921, when Loeffler got into the operation, the government was running the courses in the red . . . With low green fees, Loeffler's operation has been so sound that in 21 years he has paid the U.S. Treasury nearly $1,000,000 and has spent more than $400,000 for expansion and improvements in Washington public golf facilities.

Tom Mahan, Sr., pro at United Shoe CC and president of New England PGA, is convalescing from a stroke suffered in his home at Beverly, Mass., March 23, shortly after his return from Florida . . . Tom had a remarkable recovery from a heart attack four years ago . . . He is very popular and helpful fellow whose energy and sound judgment have been valuable to pro and amateur golf in New England . . . His heavy work on the PGA Senior tournament and on the PGA tent show certainly assured the success of those affairs.

STOP BALL MARKS ON GREENS

with this

DIVOT FIXER

Let's see what punishment the greens must take. 20,000 rounds of golf means 20,000 shots to each green, as shown.

If 10% hits the greens it would mean 2,000 holes per green each year. Reparirng these holes an hour later or next day is useless. The damaged turf must be repaired at once to avoid a hole and brown spot.

Make your own test. Just try to repair an old ball mark. Then a new one. Your little Divot-fixing tool can help you solve this problem.

Patty Berg has staged thousands of clinics in her day, but none quite like this until she appeared recently at Gallaudet College, near Washington, D.C. It was for deaf and dumb students and nearly 200 of them braved frigid weather to learn about swing fundamentals from Patty.

Pros are plenty sore about cut-price advertising of clubs and balls in some golf magazines... Say the price-slashing ads are competing against sales of new clubs sometimes advertised in the same magazines... Price-cutting ads are knocking down trade-in allowances and doing pro quality new club sales no good as about 75 per cent of these pro shop sales involve trade-ins... Bales of the cut-price club and ball advertising are offered to magazines... Golfing Magazine, with its pro quality market protection policy, refuses a lot of this copy every year.

Woody Pittman now supt., Laurel Pines GC, Laurel, Md... Allan Johnson now pro-supt. Fairfield (Ia.) GC... Joe Stursa now pro at Edgewater GC, Minerva, O... In winter, Joe’s at Palmetto Pines GC, Bradenton, Fla... Paris (Tex.) News, in reporting that Springlake CC would continue to operate despite death of Ben F. Dodson, Sr., who took charge of the rundown course in 1936 and rebuilt it, said the course is “a useful memorial to an outstanding man.”

Passing of the veteran pro, Lew Waldron, last month reminded some old timers of the help Lew gave Bob Harlow when Bob was trying to get a PGA tournament circuit established after the effort had beaten Hal Sharkey . . . Lew never was a brilliant player but he’d pick up a few dollars in tournament prize money . . . What he’d saved at his club pro job in the summer financed him and his wife Mitzi to the fall and winter tournaments . . . Bob and Lillian Harlow and the Waldrons would travel in upper berths and otherwise stretch a dollar 7,200 yards and thoroughly enjoyed the pioneering . . . Several times the PGA tournament circuit might have stopped dead if Harlow, an ever hopeful horse player, hadn’t scored with a long shot . . . Waldron got out of pro golf and became rich in the chemical business.

Expect to have Sun Junction CC 18 at Falmouth, Mass., open in the spring of 1964 . . . Building nine with par 30 at Heatherwood Village North development in Terryville, L. I., N. Y. . . . Brookridge CC, Overland Park, Kan., adds second nine . . . Olathe (Kan.) CC opens second nine soon.

Clarence G. Yarn, owner and operator of 27-hole Woodside semi-private in suburban Des Moines, is to build another 18 (Woodside Heights) with surrounding residential sites . . . Yarn probably has done more than any other man to get golfers repairing their ball marks on greens . . . He devised the widely used repair tool that looks like a small shoe horn with a somewhat sharpened end . . . Hundreds of thousands of them are carried and used by educated and considerate golfers at private and public courses . . . Yarn’s Woodside course, according to Des Moines’ noted golf writer, Bert McGrane, is having a boom in high school boy and girl golfers . . . Yarn and his daughter, Mrs. Gertrude Hall Yarn, have made quite a point of teaching and encouraging the teenagers to acquire correct golf manners . . . McGrane is a roving press agent for these kids . . . With his extensive acquaintance among golf writers, McGrane has given the Woodside high school golfers nation-wide fame that has been in bright contrast to publicity about teenage vandalism on golf courses.
here are two guys with a good combination: Arthur Allen and Ike Young of McArthur, O., have a golf range, pay fishing lakes and a drive-in restaurant near Dundas, O. . . . You pretty nearly always get a slow backswing on fish . . . Frank Jones and Maj. Luther Scott line up an arrangement with Oak Ridge, Tenn., to build a course on a 25-year lease basis . . .
