A high spot of 1963 has been the Junior golf leagues . . . We don't know how many have been in operation but certainly there are at least 50 more than in 1962 . . . Harold Sargent, East Lake CC no, says Atlanta's six-club Junior league showed at least the competitive spirit of Atlanta's Jones kid, if not his early ability . . . Senior golfers are showing more interest in Junior play and, generally, have stopped griping about youngsters taking over the courses . . . Kids are winning the old guys with good golf manners and fast play.

Fiftieth anniversary of George Jacobus' appointment as pro at Ridgewood (N.J.) CC being celebrated by the club Oct. 26 . . . George was one of the youngest pros to hold a job at a big club . . . John Sproul, after making history with U.S. Rubber golf ball dept. and covering about as many air miles as the U.S. and Russian astronauts on selling trips and meetings, is at his new home in Deerfield Beach, Fla. . . . John isn't fully retired but will act in a sales advisory capacity . . . Fred P. Koehler has succeeded Sproul . . .

"Harold (Jug) MeSpaden, one of the tournament stars of yesteryear, finishing a de luxe semi-private course at Piper, in the Kansas City area . . . MeSpaden's course, called Dubs' Dread CC, is an interesting job of design . . . It's on 240 acres . . . Yardage ranges from 5,900 to 6,700 . . . Jug is talking more about the fine showing of his wife, Betsy, in KC women's golf, than he ever talked about his own victories . . . Same way with Frank Stranahan whose wife has been doing very well in women's national and regional amateur championships.

Many people are saying that Ralph

Plummer's job in re-designing and planning construction of CC of Salt Lake City's course is one of the year's most interesting accomplishments . . . Plummer installed fence-to-fence watering . . . A trout stream runs under one green and surrounds another . . . Members got the story of the reconstruction first hand as Plummer took colored pictures of how the course looked before remodeling, the work that was done and how the layout shapes up now . . . The pictures were shown on a screen at a club party.

Plummer is to build an 18 municipal for Grand Prairie (between Dallas and Fort Worth), another 18 for Ridgelea at Fort Worth and is revamping Westwood CC at Houston . . . He recently rebuilt Ridgewood CC at Waco . . . Plummer designed the Preston Trail Club 18, a $4000 admission club that will be for men and golf only, near Dallas . . . It is to open in July, 1964 . . . Byron Nelson is consultant for Preston Trail . . . Plummer
Since the first "hose-less" system was Buckner-installed over 50 years ago at California's famed Pebble Beach Golf Course, Buckner Sprinklers have been the first choice in turf irrigation. Now in manual or fully automatic systems. Look in your Yellow Pages under "Sprinklers" or write for free literature.

Also has started 18 for Horace Stoneham at Casa Grande, between Phoenix and Tucson, the San Francisco Giants' spring training location. Other Plummer jobs include three more public courses for Fort Worth.

Quite a few supt.s are getting into the fee course business and doing well. Among them are M. H. Veal, sr. and his son, M. H., jr., supt. at Dallas AC CC, who are operating the Louisville, Tex., semi-private nine. Still some talk about a couple of the smaller golf club manufacturing companies being bought by large interests. Nothing in the rumors to worry employees who are on the job. A major problem of the possible new owners is to have a competent, energetic organization.

Mickey Riley, veteran pro of Meadow Brook CC, Salt Lake City, says pros are going to have to do a lot of thinking about growing problem of used clubs. Riley observes that some men would rather get popular brand used clubs at low prices instead of cheap new clubs, but women usually prefer cheap new clubs of almost any brand rather than used clubs of biggest selling brands.

Claude Pattemore, Hamilton, Ont., won U.S. Blind Golfers championship, at Westchester Hills GC, White Plains, N.Y., with 97-104 . . . Pattemore beat the defending champion Joe Lazaro, Waltham, Mass., who had 98-104 . . . Lazaro took a 10 on
15th hole of second round . . . He hit his tee shot out of bounds . . . Charley Boswell was third with 101-102 . . . Pattemore, a 37-year-old restaurant cashier, won an international blind tournament prior to winning at Westchester Hills.

**Lions Club, Columbus, Ga., opens new 9-hole course . . .** Dorset (Va.) has a 9-hole course that was opened in 1886 . . . Heavy play on weekends and holidays has brought starting time arrangements this summer to many exclusive metropolitan district clubs that previously started players on a catch-as-catch-can basis . . . New Jersey Assistant Pros Assn., now in its eighth year, has 40 members . . . It is headed by Dan O'Rawe, asst. to Tom Hawthorn at Hackensack.

**Peoria (Ill.) park board plans to build 18 on 236 acres of state-owned farmland which the park board will receive in payment for 12 acres of city park land acquired for road building . . . Peoria park golf fees include 10 cents per round for general golf development fund and 15 cents that's earmarked for construction of a new course.

**Pros are quietly but strongly campaigning to get some big companies to quit buying golf goods they sell to their employees at practically "wholesale prices" . . . Officials of companies wanting their own retailers to make a profit become uncomfortable at being asked by pros and pros' friends: "Why don't you pay your employees enough so they can afford to buy golf goods retail like other people do?"**

**Mauna Kea Beach hotel being built on north coast of the "big" island of Hawaii (150 air miles from Honolulu) to have 18 . . . Open White Lake GC nine near Elizabethtown, N.C. . . . Charles Benson is pro . . . Lester Jones, Bellevue, Wash., is the contractor for 9-hole course and adjacent homes in Redmond, Wash.

**Farmers Home Administration loans $45,000 to 68 farmers and rural residents near Davenport, Wash., to build 9-hole course on 80 acres formerly planted to wheat . . . Loan bears 4½ per cent interest and is repayable over 30 years . . . Seems as though the majority of the Par-3 courses recently opened or being built have some par 4 holes . . . Open Lin-Valley CC at Lindale, Ga. . . . Bobby McGee is supt.

**Looking ahead,** Harry Pezzullo, pres. of the Illinois PGA, says that that organization will hold its third golf show and exposition in McCormick Place, Chicago, Apr. 3-5, 1964 . . . Previous shows were held in a downtown Chicago hotel, but the 1963 version pulled in such large crowds that it was decided to move next year's show to larger quarters . . . Mauric Jara has been named pro of the new 27-hole Massacre Canyon Inn GC in Gilman Hot Springs, Calif. . . . Jara was an assistant to Zell Eaton at Los Serranos CC, Chino, for four years before taking the new post . . . He is well known in California as a TV and motion picture actor, being referred to as "the singing pro."

E. J. (Dutch) Harrison, who was inducted into the PGA Hall of Fame a year ago, has signed to become pro at the new Forest Hills CC in St. Louis . . . He's returning to familiar territory, since he formerly was at Old Warson in that city . . . Mrs. Archie Loeffler, who won the women's championship at Pleasant Valley in Weirton, W. Eight 1964 PGA tournaments, plus this year's Portland and Whitemarsh Opens, will serve as qualifying events for the rich Carling World Championship next August at Oakland Hills CC in suburban Detroit . . . The Bill Waite Memorial tournament, played every year at the Shawnee Inn, Shawnee-on-Delaware, Pa., was interrupted briefly this year so Fred Waring could present Gen. Dwight D. J., recently helped Pro Andy LaPolia observe his 25th anniversary with the club with appropriate ceremonies... P. J. Boaritright, assistant executive director of the USGA, says he doesn’t see any prospect of playing the National Open under lights in the foreseeable future.

Discussing slow play a short time ago, Joe Dey, the USGA’s executive director, brought up a point to which the pros should give serious thought: “Tourament fields aren’t as large as they could be because of slow play.”... In 1946, Dey said, 172 players were qualified for the Open... In 1959, the starting field had to be reduced to 150 because the USGA felt it couldn’t get the added starters around the course... Two reasons advanced for the slowness by Dey are: Too much money is riding on every putt and so the players take more time getting lined up, etc., and quite a few of the boys enjoy hamming it up on TV... Fred Corcoran says the rule that permits the player to mark, pick up and clean his ball between each putt isn’t helping to speed up the game, either.

Have U.S. golfers become weaker in the last seven years, has a little bit of the rabbit been taken out of the ball, or did wind and terrain conditions have something to do with it? . . . Another headache for PGA tournament
officials popped when the Nevada Gaming
Board moved to revoke Frank Sinatra's
gambling license on charges that as co-
owner of the Cal-Neva Lodge, Sinatra had
been host to Momo Salvatore (Mooney)
Giancana, Chicago mobster, described by
the FBI as one of 12 men heading a na-
tional crime organization and on the Ne-
veda board's list of undesirable whose
presence may result in loss of license to
operate a gambling joint... The Frank
Sinatra Open-Invitational for $50,000 at
Canyon CC, Palm Springs, is on the PGA
calendar for Nov. 7-10 followed by a pro-
am on Nov. 11 for $10,000... To risk
sharing Sinatra's affection with a party
the FBI and the Nevada Gaming Control
Board regard as unsavory, is not consid-
ered by many golfers to be in the best in-
terests of the game.

Golf course equipment and supply man-
ufacturers and dealers and golf playing
equipment manufacturers are complaining
that there are too many "shows..."
Course suppliers say they have not only
the primary expense of the GCSA annual
exhibition with cross-country jumps, but
costs in money and time of exhibits and
demonstrations at turf conferences, local
association and experiment station affairs
now are out of line... Course equip-
ment men add that study and discussion of
test plots which are unique and valuable
purposes of the "field days" cannot re-
ceive desirable concentration while demon-
strations of equipment are being conduct-
ed.
