NOTICE

On several recent occasions, we have
seen and have been shown catalogs and
flyers, other than our own, which con-
tain pictures obviously taken from our
catalog. In one instance our name was
not even removed from the picture used
by one of our competitors.

We want it clearly understood that
we did not, nor will we give our per-
mission for any of these uses. Any such
uses are wholly improper insofar as we
are concerned.

Because of these activities, inquiries
have been received from customers as
to whether we have any financial inter-
est in any of these other firms who have
used our material. Again, it should be
made definitely known that we have no
such interests; we have not and will
not participate in any of these so-called
"discount houses" as this is completely
against our principles and policies.

(Signed)
CLEM WITTEK, President
Wittek Golf Range Supply Co.

Three North Oaks members don working clothes
to get trees planted.

trees and a map of the approximate loca-
tion of the stakes.

The planters left for their sites at 8 a.m.
With the help of 60 caddies, who were
paid for their efforts by the participating
members, the planting was completed by
9:30. The "Tree Planting Open" was half
over. The golf tournament itself began
with a 10:00 "shotgun start."

By 2 p.m., all members had finished
their rounds. A lunch was held and prizes
were awarded. The board and members
alike agreed that the tournament had been
fun as well as constructive.

Now, almost two years later, 840 of the
original 1200 planted trees continue to
grow. The new board of directors recently
met and decided that something should be
done about improving the condition of the
sandtraps on the course.

So that means they'll be playing a
"Sandtrap Open" at North Oaks one of
these days.
