Having trouble getting a dependable sprinkler system that doesn't cost a fortune?

We'll custom design a sprinkler system for your course. We'll furnish you details on the CRESline PVC Plastic Pipe and fittings it will take. Plus operating and equipment suggestions.

Get installation estimates from the contractor of your choice and you're all set.

An 18-hole system usually installs in about 5 weeks and seldom disrupts play. CRESline PVC lasts indefinitely. Cost installed averages 50% less than other types of pipe.

Interested? Just drop us a line and we will write you for the details we need to plan your system.
