ARTICLES

44 The Delicate Art of Turfgrass Cultivation .................................................. James B. Beard
The methods of cultivation can bring new vitality to a course, but only if certain procedures are carefully followed.

48 Automatic Irrigation: Ask the Experts .................................................... the Editors and Fred V. Grau
GOLFDOM concludes its rundown on the most frequently asked questions about automatic irrigation and related equipment.

50 Superintendents: Try the Easy Way .......................................................... Stan Metsker
A chain hoist on an overhead track is an essential item in running an efficient golf course maintenance shop.

52 Design for Sales ................................................................. Ed Perrotte
"A place for everything that sells ... everything that sells in its place," is one common sense rule that will help you get the most out of your pro shop set up.

58 Selling Apparel: One Woman's Approach ............................................ Irene Koennecker
Today, the well-stocked pro shop should have an extensive women's golfwear department. Buying and selling to women require special handling, which is best done by another woman. says this highly successful merchandiser.

62 Paying the Architect: Commission or Fee? ........................................ Henry Cotton
Britain's Henry Cotton believes golf course architects should be rewarded for cost savings, not encouraged to spend more to inflate commissions.

65 Managers: Looking Beyond the Clubhouse ....................................... Jerry Marlatt
CMAA plans to broaden its educational program with seminars on agronomy, irrigation and pro shop operations. The aim of the program is to acquaint the manager with all aspects of a club's operation and the problems of other club administrators.

68 To Sauna or Not to Sauna ................................................................. Michael V. Simko
One man's health craze may be another man's hangover-reliever; either way it spells s-a-u-n-a. Buying this new health heater may require less than you think.
