# RYEGRASS IS THE PERENNIAL FAVORITE

Linn Perennial Ryegrass is the versatile grass which does a variety of jobs well. Over the years it has proven to be a top performer on virtually any greenway.

- Germinates in 10 to 14 days, or even less under ideal conditions.
- Requires little or no seed-bed preparation.
- Rapidly develops a strong root system.
- Vigorous spring growth makes it ideal for repairing damaged areas.
- Stands up to abuse and heals rapidly if injured.
- May be sown under unfavorable conditions.
- Performs well in poor soils and is acid tolerant.
- Often used as a nursegrass with slower-starting varieties.

**GRAU** from page 12

of thinking, especially because you endorse the views of one of your group who has been in print and is heartily opposed to any "crossover." You and he should never become managers because of your adamant stand on the subject. My advice to a friend to go ahead and become a manager has a sound foundation. He was ready and the club wanted him. For him the future is bright as is the future of the superintendent at the club at which both are employed.

My friendship for you and for those in your group who hold views similar to yours will in no way be diminished. I do not attempt to influence superintendents on any score, but when I see a situation that will benefit everyone, I exercise my prerogative to express my view just as one of your group published his.

**Q**—*This is not exactly a question, but more a plea for recognition. Ours is one of the more than 500 golf courses in the Commonwealth. Everyone in the club, members and employees alike, believe that our grounds were meant to serve a function beyond that of simply pleasing golf members. We like to feel that our club property is one of the best bird and wildlife sanctuaries around. The grounds crew is dedicated to serving this end. Naturally, no shooting, trapping or hunting is allowed on the premises. Should we not be accorded some recognition from the Game Commission, and, perhaps, receive suggestions on how we can improve conditions?* (Pennsylvania)

**A**—Bravo for your common sense approach to helping our wildlife. This should make a good story for a magazine. We will see to it that a copy of this issue of GOLFDOM reaches the Game Commission in Harrisburg. Keep up the good work.

**HOW TO OBTAIN ADDITIONAL  
COPIES OF GOLFDOM'S  
FEBRUARY 1974 ISSUE**

For additional copies of the February issue, send \$1 for each copy ordered to: GOLFDOM Magazine, Circulation Department, 380 Madison Ave., New York, N.Y. 10017
