Information service

For free information on any of the products and services listed below, simply fill in and mail the postage-paid reader service card bound into the front of this magazine.

AMF Harley-Davidson introduces a new light-weight, electric golf car, Master Glide IV. It offers increased battery life by virtue of a two-circuit system that switches from series to parallel operation at low speeds. Circle 128 on card

The Datono Products Division of Dayton Stencil Works Co. offers signs for efficient golf course marking. Features include: Construction of 14-inch by nine-inch heavy steel; high quality embossing, baked enamel finish, strong steel stakes. Over 100 titles are in stock and available. Circle 135 on card

One man can aerate a 5,000-square-foot green in less than 15 minutes with an aerator from Dedoes Industries, Inc. The manufacturer now has a pointed tire available for tees and greens which gives up to three-inch penetration in the turf. Circle 120 on card

John Deere 850 and 950 tractors are powered by fuel-efficient diesel engines that put out 22 and 27 PTO horsepower respectively. Though big enough for most any job on the course, the tractors will turn within a 10-foot radius. Circle 137 on card

Gillon Knitwear Co., Inc. offers its new 1978 line of Touring Pro golf sweaters. Circle 111 on card

Features of Emerald bentgrass, available from International Seeds, Inc. include: Exceptional uniformity, excellent vigor, disease resistance and competitive pricing. Circle 105 on card

Kohler Co.'s new Twin 17 four-cycle engine offers cast iron construction and 17 horsepower. Single and twin engines are available from 4 to 23 horsepower. Circle 113 on card

Milorganite, the natural organic fertilizer, offers a wide variety of advantages over other fertilizers — but has nothing synthetic added to it. It's a product of the Milwaukee Sewerage Commission. Circle 106 on card

Oregon ryegrass will green up your greens and tees in winter and will make your fairways lush and green. The Oregon Ryegrass Commission tells how to do it with winter overseeding. Circle 110 on card

Pennline perennial ryegrass, marketed by S.P.I.C., is able to stand up under heavy traffic and it also germinates rapidly, making it ideal for winter overseeding in the South. Circle 102 on card

Penncross creeping bentgrass is genetically uniform and disease-resistant and establishes more quickly than conventional bends. It makes a putting surface that puts true and has good color. Tee-2-Green Corp. sells it. Circle 115 on card

Mileage Master batteries, a product of Trojan Battery Co., boasts new design changes for better golf car power and longer discharge ratings. Call toll-free 800/423-6568 or Circle 140 on card

"Organize a Junior Golf Program.
It's a great place for kids to play a round."

Youngsters face a lot of temptations and frustrations growing up today. And that's why I think it's more important than ever to get boys and girls involved in golf. It's not only a game they can enjoy for life, but a great teacher of self-reliance and self-discipline.

If you're interested in starting a Junior Golf program at your golf club, or in your schools, the National Golf Foundation would like to help you. I hope you'll write to them for details.
