Will OSHA Come A Knocking?
Probably not, but that doesn't mean OSHA isn't concerned with what's going on under your maintenance facility's roof.

Honk if You Hate Geese

When screamers didn't work and dogs proved too expensive, Sweetbriar GC turned to an innovative sprayable repellent to keep geese off the course.

Getting to the Root of Weed Control

Scientists have tried for years to understand how plant roots grow downward. Now, MIT geneticists have isolated the gene responsible, suggesting the potential for new herbicides that will wipe out weeds without hurting the environment.
