## JOHN DEERE

**Major Product Lines:**

John Deere Golf & Turf One Source is a full-service platform bringing together equipment, agronomic products, financing and services to better serve the expanding needs of golf course superintendents, owners, architects and management companies. The program offers a full line of industry-leading precision greens, fairway

and rough mowers, aerators and debris maintenance equipment, bunker rakes, rotary cutters, utility vehicles, compact utility tractors and

construction equipment. John Deere also offers certified pre-owned equipment through the John Deere Assured program. As the official golf course equipment and One Source supplier to the PGA TOUR, John Deere can be trusted to provide superintendents the tournament-level quality needed on today's golf courses.

Additional products offered through the One Source program include seed, fertilizer, landscaping supplies, irrigation, fertigation, drainage and golf course accessories, all available for purchase through a local John Deere distributor. Along with the only credit, lease and financing program created specifically for golf course equipment and a dedicated distributor network, John Deere provides unmatched parts and service support.
