Nature of the Business
Challenges abound for two superintendents whose golf courses are located on environmentally sensitive federal parkland.
By Anthony Pioppi

Natural Wonder
The picturesque Sand Ridge Golf Club was built and is maintained to function in harmony with the environment.
By Larry Aylward

Utility Vehicles Slowly Take Eco-Friendly Route
Gas-powered engines still reign, but manufacturers are moving toward electricity for a variety of reasons.
By Thomas Skernivitz

Gaining Appeal
More superintendents are using biostimulants and trusting in them, companies say.
By Larry Aylward
cover story

In this special section, Golfdom reports on matters affecting the environment, from superintendents who tend turf on environmentally sensitive land to the growth of eco-friendly products.

About the cover
Connecticut-based photographer George Ruhe captured this portrait of superintendent Stuart Eyman on beautiful Cape Cod.

Civic Superman
With a one-way ticket out of the only town in which he'd worked, Mark Woodward could have left his heart in Mesa. Instead, he left behind a legacy in municipal employment (and a slightly less-glamorous body part).
By Thomas Skernivitz

Less Is More
Improved fungicide features new formulation that enhances effectiveness of active ingredient against turf disease.
By Peter Blais

TurfGrass Trends
This month Golfdom's practical research digest for turf managers discusses what's new in turfgrass breeding, among other topics. See pages 61-76.
