**TOP 5 LAWS OF GOLF**

**LAW 1:** No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.

**LAW 2:** Your worst round of golf ever will almost immediately follow your best round ever.

**LAW 3:** Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it's a known fact that the more expensive the golf ball, the greater its attraction to water.

**LAW 4:** Golf balls never bounce off of trees back into play. If one does, the tree is breaking a law of the universe and should be cut down.

**LAW 5:** No matter what causes a golfer to muff a shot, all his playing partners must solemnly chant, “You looked up,” or invoke the wrath of the universe.
