12,000 RANGE BALLS Washed and Dried IN ONE HOUR ... with the revolutionary new automatic

RAPID RANGE BALL WASHER and DRIER

Here's the answer to a far-too-costly problem that has been eating-up every range owner's profits.

SAVES TIME: Dump soiled balls into hopper, press starter switch and from then on the "Rapid" turns them out sparkling clean and dry — 12,000 an hour.

SAVES LABOR: No nursing or manual help required. The "Rapid" is completely automatic and thorough even to delivering clean, dry balls into bin or trays.

CUTS BALL INVENTORY: The speed, efficiency and completely automatic operation of the "Rapid" will keep you in ample supply of fresh balls with minimum investment tied up in golf balls ... and with less storage.

CLEANS 'EM CLEANER: Every ball is assured individual, all-over cleansing (without pressure on the balls) by their movement over a bed of high grade, durable washing brushes, actuated by sturdy, water-proof motor. Yes — those that are mud-caked, too.

Install a SKINNER system... it pays!!

There is no investment which will give a Golf or Country Club greater returns than an adequate and efficient irrigation system.

A Skinner System, assuring green turf, has become the mark of a truly progressive club. In addition to having a more beautiful course, clubs in every part of the country report savings of several hundred dollars a year in seed and seeding labor costs alone. It will pay you to investigate the many other advantages which modern irrigation systems engineered by Skinner can bring to your course.

IT'S NEW! PERM-A-GRIP* IT'S DIFFERENT!

A WRAP-ON GRIP WITH BUILT-IN UNDERLISTING

Look At These Features:

DURABLE, INDENTED, NON-SLIP SURFACE: A specially compounded rubber cord and cork material insures light weight, positive grip and unusually long life.

CORRECT CONTOUR: Perm-A-Grip is tapered both in thickness and in width from one end to the other to provide perfect contour — eliminates need for separate underlisting.

SIMPLE TO APPLY: Exclusive tongue and groove feature makes wrapping easy — hides tack and insures positive bond to shaft. Extra length for large or small diameters. And the cost is unusually low!

COMPLETE LINE OF SLIP-ON GRIPS — ALSO PERM-A-GRIP CEMENT.

clubhouse ... Oklahoma City (Okla.) G & CC spending $150,000 modernizing clubhouse ... "Chick" Allyn, National Cash Register magnate and new chmn. of PGA Advisory committee, established top mark in golf promotion when he put on the 1945 PGA championship at Moraine CC, Dayton, O., and raised $51,000 for athletic activities at Wright and Patterson fields.

George Schneiter, PGA Tournament Bureau chmn., reported purse of more than $474,000 for the 41 tournaments, including 8 pro-am events, on the 1949 tournament calendar year ... George told PGA convention tournaments in 35 cities on 1950 schedule would offer $550,000 total ... The boys have 550,000 reasons for cheering George as a booker ... Tournament bureau operations showed a loss of $18,000 for 1949 fiscal year ... Considering volume of the purses booked it looks like it might be possible to set up the books so the Tournament Bureau would break even for doing a good job.

Better press coverage of PGA 1949 convention than for many years in past due to PGA officials' frankness and willingness to let the reporters decide what was news ... One favorable result was to keep question of parallel between Locke run-outs and allegations of Yank pro stars' ducking on dates out of sports section
