Titleist Leads the Field

The returns are in! Four more important Big Money Tournaments have been checked — the Lakewood Park Open Invitational on January 19th; the Texas Open on February 8th; the St. Petersburg Open Invitational on March 1st; the Miami Beach Open Invitational on March 7th.

In every one of these great competitive meetings, more players played the Acushnet Titleist than any other ball!

No wonder the Titleist is called "the Professional's Ball"!

No wonder more Acushnets are sold through Pro Shops than any other brand! No wonder more and more Acushnets are sold each year!

ACUSHNET GOLF BALLS

Sold the world over through Pro Shops only
Bag cart use increases in early season in NY state with caddie fees increased by state legislation making kids club employees and subject to minimum wage laws ... Caddies not wanting to go out unless they carried double another reason given for switching to carts ... Now let's see if players with carts will replace divots and keep from damaging greens with flagpoles ... New York state caddie minimum rates lower than in NY Met district but higher than prevailing rate at many upstate clubs ... Wage ruling probably will reduce total NY state caddie payment under 1950 figure.

Replacement of caddies by carts is helping golf by cutting cost but has disadvantage of reducing the draw of the game for boys who come out to make money at pleasant work and wind up becoming golfers ... Junior promotion will have to make up for drop in influx of caddies ... Byron Nelson's TV program with Ed Sullivan had one of biggest mail responses of any sports program ... Thousands of writers asked Byron for advice on their games.

Carl Hegenauer opening 9-hole Maple Hill fee course with large practice area at Saginaw, Mich., in July ... Carl is son of Mr. and Mrs. Carl Hegenauer who own Wolverine fee course at Saginaw ... Madras, Ore., wanting a golf club probably will settle for practice range and practice putting green as a starter ... State and city considering building public course at Coronado, Calif. ... Westward Ho GC, a pioneer among Chicago District courses, sold for $262,500 for subdividing.

NBA OKs building clubhouse at Evansville, Ind. Fendrich public course.

Mrs. Karl Walter Allison announces the marriage of her daughter Nancy to Mr. Frederick J. Corcoran on Sunday, April 1st at Our Lady chapel, St. Patrick's cathedral, New York City ... That's the formal manner of announcing that the former tournament bureau manager of the PGA and tournament manager of the Women's PGA now is being managed by a very lovely girl.

Northwestern Wis. Golf Assn. sets pro program for its annual golf club operations clinic May 8 at Butte des Mortes, Appleton ... Presidents, secretaries, greenkeepers, green committee members, pros and sports committeemen and managers and house chairmen will meet in departmental sessions ... Sam Snead on new RKO-Pathe Sportscope short ... George Von Elm doing such a fine job as pro-mgr. at Hacienda CC (LA dist.) the members rewarded him with a vacation at the Masters' tournament.

Otto Hackbarth, for 35 of his 65 years pro at Cincinnati (O.) CC retires on advice of his doctor ... Otto is succeeded by Art Doering ... Hackbarth, one of three brothers prominent in pro golf, is a native of Wisconsin ... He was a fine player ... He won the 1940 PGA Seniors ... He will continue to live in Cincinnati with his wife and 97-year-old mother ... Willard (Bud) Gaskill now pro at Nemacolin CC, Bealsville, Pa. ... Ray Coyle named Nemacolin supt.

San Francisco's Golden Gate Park pitch-and-putt 9-hole, par 27, course officially

"Healthy, Colorful Turf Throughout the Season —with AGRICO!"

For the past 11 years, it has been my practice to use AGRICO COUNTRY CLUB Fertilizer on my turf," writes Frank Svehla, Greenkeeping Superintendent at Suburban Golf Club, Union, N. J., and treasurer of the N. J. Greenkeepers Ass'n. "I have found that the use of Agrico, coupled with regular aeration of fairways with the alfalfa disc-seeder, has always given us healthy, colorful turf all through the season, with little or no artificial irrigation. Use plenty of Agrico regularly and you're way ahead in keeping fairways and greens in excellent playing condition."

Order Agrico now—it's specially made to feed golf-course turf and feed it right. Ask your regular supplier, phone nearest A.A.C. Sales Office, or write to The AMERICAN AGRICULTURAL CHEMICAL Co., 50 Church Street, New York 7, N. Y.

Southern Calif. PGA ... Harry Bassler elected vp, Bud Oakley, 2nd vp; Paul Scott, sec.-treas. ... Don Caulkins, Inglewood, elected pres., Southern Calif. Golf Course Supts. Assn. ... Chris Ermel elected vp and George Lanphear, sec.-treas.

Baltusrol said to be in line for 1953 National Open ... James B. Montfort, chm., Legislative committee, Club Managers Assn. of America, in bulletins concerning clubs' status under Wage Stabilization Act and Ceiling Price regulations say CMAA collective effort is "considerably weakened by the fact that many clubs and managers wired or telephoned direct to OPS for information and rulings. Several interpretations were given hastily." Montfort asks for club cooperation in providing facts and figures to strengthen club pleas for reasonable consideration.

A. T. Jergins, oil jillionaire who's a member of Bel-Air where Joe Novak is pro, offers $10,000 as an initial contribution to a "Western Hemisphere Open" championship ... That idea is going to catch on soon ... George S. May with his World championships pioneered ... Bob Hudson wants to bring teams from all golfing countries to the U.S. for a big championship ... The puzzling spot in these super-colossal inter-

DAVIS WEED KILLERS

Aerify

to increase root growth
to assist movement of air in the soil
to enable water to move through the soil
to increase waterholding capacity of the soil
to reduce thatch
to allow lime and fertilizer nearer the feeding roots
to increase organic content of the soil
to overcome compaction
to prevent erosion or loss of plant food with surface runoff
to reduce disease
for renovation
to provide more satisfactory playing conditions

These definite improvements to be brought about by proper aerifying are established. Only the Aerifier® provides effective "cultivating action" which is necessary to bring about all of these results. Ordinary aerating tools make openings from the surface downward. That is only half the job.

The Aerifier scoops out the soil cores, leaving loosened soil around the openings. This is the only type of aerification which permits air, water, lime and fertilizer to move laterally through the soil. This is the only type of aerification which leaves soil around holes loose enough so roots can penetrate. The increased root growth is necessary to improve the soil, to loosen it and increase the organic content. Cultivation with the Aerifier provides the better cushion which is desired by the golfers.

When time is spent on aerifying, do it the right way. Use the Aerifier, the only tool that brings about all the needed improvements.

The Aerifier is made only by

West Point Lawn Products
West Point, Pa.

© 1951 by West Point Lawn Products

These wax casts show the greater effectiveness of "cultivating action". Wax poured into the Aerifier hole spread out through the wide area of loosened soil, just as roots do. The walls of the punched hole were slick-surfaced and wax could not penetrate beyond the narrow walls of the hole. Neither can roots.
Get DUAL CONTROL
CRABGRASS and FUNGUS
with 10%
TAT C-LECT

Dollar Spot
Copper Spot
Leaf Spot
Small brown
patch

only

Cost per
application
73¢
per green
of 5,000 sq. ft.

This proved, economical, combination control prevents crabgrass and fungus from getting a start . . . is easily applied . . . costs little per green per treatment.

START four weeks prior to normal crabgrass emergence (April or May, depending on locality). Apply every seven days during the first month, then at 10-day intervals for balance of season.

FOR AN AVERAGE GREEN of 5,000 sq. ft., use 6½ ounces of 10% TAT C-Lect in 80 gallons of water.

RESIDUE IN SOIL builds up . . . mercury kills crabgrass as seeds germinate and in addition controls turf diseases.

FOR NEW SEEDINGS use the same procedure, but do not start until 10 days after grass emerges.

ORDER NOW from your distributor . . . or we will ship direct and bill through your distributor. Estimate season’s needs and take advantage of these low prices:

national championship ideas is the amateur expense regulations of the USGA and R&A . . . The ruling bodies want to protect the fiscal virginity of the amateurs some of whom are quite susceptible to becoming just the least bit pregnant in accepting expense money . . . Looks like there could reasonably be a slight bit of easing of the regulations without encouraging golf bums and semi-pros, on a few more international matches as long as the USGA and British select a few who can take expense money for Walter Cup play.

Jimmy Roche’s 50th year as pro at Elkridge CC (Baltimore dist.) was the hunch for big illustrated piece by Allen Barrett in Baltimore (Md.) Evening Sun . . . San Francisco muny courses raise daily and monthly green fees . . . Sports page stories from all parts of U.S. indicate biggest season of high school team golf play . . . Some top grade private clubs permitting high school league matches on their courses . . . Construction of 18-hole course and clubhouse planned for Dania, Fla.
