Course had its beginning when pro Henry Duskitt of Corn Hill CC in same area noticed many golfers from Springfield were playing his course and broached idea of course of their own to interested citizens who employed him as superintendent and builder.

Hackensack GC, Oradell, N. J., paid tribute to its caddies recently with Caddie Day program, climaxed by dinner in which all 50 of participating caddies were awarded prizes ... Club officials along with pros Charles Mayo, Gordon Allison and caddie master Tommy Secreto were guests ... 300-acre site west of Jerico, N. Y., purchased by Meadow Brook GC to replace holdings taken over by state for highway ... Tract is one of largest ever obtained for Long Island club and leaves additional space for high-goal polo field and buffer strip between home developments that are expected to rise in next few years.

Construction has begun on Paradise Valley CC course, near Phoenix ... Course and buildings will be center of 100 homesites — most of them already sold at $5,000 each, around outer perimeter of course.

Here is the Shower Head that’s automatically self-cleaning each time it’s used.

NO CLOGGING  •  NO DRIPPING

There is no shower head like the new SLOAN Act-O-Matic. The exclusive feature which sets it apart from all others is its automatic self-cleaning action. The unique spray disc moves downward into shower position when the water is turned on. A cone-within-cone spray of maximum efficiency is delivered. When the water is turned off the disc is moved upward, draining the head instantly.

Because the water is completely removed, the Act-O-Matic shower head does not clog or lime up, and therefore it will not deliver irregular or distorted spray patterns. The Act-O-Matic is also economical in use. It saves water, fuel and maintenance service. (Institutional models available.)

They forget they didn't make pars—when they get Powers in their showers

Powers safety mixers assure players the perfect shower that makes it a perfect day. No sleety shocks or scalding surges to upset them.

Powers Thermostatic Shower Mixers are safe, because they make dangerous extremes in temperature impossible; comfortable because the temperature stays constant wherever set; economical because they do the job quickly without wasting hot or cold water.

Keep your players happy and relaxed with Powers mixers—and protected against shower water accidents. Just one accident might cost your club many times the amount required to equip all your showers with Powers.
