Swinging Around Golf
(Continued from page 20)

made up of three lads of high school age whose parents belong to the clubs, in a league... Thirteen teams from St. Paul and seven from Minneapolis played in the league.

Despite cold spells that damaged Florida courses, Dave Hendry, PGA National supt., had his course in such good condition for Seniors-Juniors match play event and the Seniors championship that bellyaching about the course was at a minimum.

Mrs. George Sargent, wife of the first pres. of the PGA Seniors (1937-38) fell down steps at the Fort Harrison hotel during the Seniors' meeting... Friends were very much concerned about her but she got to her feet, walked upstairs to the lobby, then went with George to their room where they watched a fight on TV... After looking at the pugs belt each other for several rounds she remarked to George, "If they can take that I don't think falling down a few steps will knock me out."

Ernest Edwards from Greensboro, N.C., to new Rio Pinar CC, Orlando, Fla., as pro... Course designed and built by Mark Mahannah now has first 9 in play and will have second 9 open May 1... Its 18 will stretch to 7000 yds... It is center of fine real estate project of firm headed by Jack Jennings... On the opening day of the course $387,000 in lots were sold... Club expects 600 members.

Mike Bonetate, pro at American Brass CC, Naugatuck, Conn., said to Frank Gilholm, Attleboro (Mass.) CC pro, at Dunedin, "I was born in Glasgow... Frank began asking Mike about old Scotch families and lively spots at the Gilholm birthplace... Mike stopped him: "You got me wrong, Frank, I meant Glasgow, Italy."

Work started Jan. 10 on 18-hole City of Long Beach, Calif. municipal course designed by Bill Bell... Bill also recently designed two 18-hole courses for the Ft. Douglas Club, Salt Lake City... Construction on first of these to start Mar. 1... Bella Vista CC, 7100 yd. course recently opened in Dominican Republic, has world's longest 18th hole... It's practically an all-day drive, 660 yards, and is named after Ben Hogan... Alfred H. Tull designed Bella Vista.

H. O. Heeland, who was mgr. at several Pa. clubs from 1926 until 1941, died recently at his home in Northfield, N. J. ... Jerry Roche, former Sands Point, L. I. club mgr., recently toured the Nassau County (N. Y.) Blue course in 100 minutes and shot a 68 in doing so... Dave Eisenberg, N. Y. Journal American golf writer, says New York City could use at least a half dozen Par 3 courses, but too much red tape has to be cut to get clearances for building them.

Clifford Ann Creed, the 19-year old who won
last year's women's amateur All-American, already has more than 100 tournaments behind her . . . 80 electric golf cars are in use at Naples (Fla.) Golf & Beach club where Paul Bell is pro . . . Less Ward has been named to head pro job at Glen Ridge (N. J.) CC, succeeding Jack Fox who retired . . . Les was Jack's asst. for two years.

New Yellowstone CC, Billings, Mont., will be in play sometime this year . . . The 7,000 yard layout was designed by Robert Trent Jones . . . Another Jones project is the revamping of the 18-hole Stowe (Vt.) CC course which is being brought up to date to complement the city's ski resort . . . The idea is to make Stowe a year-around sports center . . . Jones also has recently completed the Dorado (P. R.) course; revamped Tulsa's Southern Hills for the Open; put the Air Force Academy course at Colorado Springs into construction; and designed the Bellerive CC course in St. Louis . . . It will be built in '58.

Caddies at new Diplomat CC, Hollywood, Fla., have to shave before they get into their caddy uniforms . . . Fine lockerroom, lockers, showers, provided for the nomadic caddies . . . If they don't keep themselves and caddie quarters neat they're out on Highway No. 1 pronto . . . Peter Hay, famed veteran pro at Pebble Beach, now joins Bobby Jones in having a course named after him . . . The 761 yd., par 3 course near Del Monte Lodge, opened last fall, bears the name of the colorful Scot who has presided at Pebble Beach for 42 years.

Indication that salaries will have to be boosted to correct growing shortage of qualified supt.s seen in decisions of graduates golf course maintenance courses . . . Of 18 recent graduates, 14 went with commercial firms instead of with courses that offered them jobs . . . Pros in the San Francisco district say they've got two likely candidates for the National Open title this year, Harvie Ward and Ken Venturi . . . Venturi has been practicing like Hogan used to and Ward is 25 yards longer off the tee than when he won 1955 and 1956 National Amateur titles.

There's a new young man, Gregory, in the Shreve family at San Francisco . . . His daddy, Virgil, is pro at Harding Park . . . California pros' junior instruction program continues to grow . . . Many pros say their kids have such sound foundations and good games the handicap average in California by 1965 should be four or five strokes better than now . . . Northern California Junior Golf Assn., championship, played during Easter week, has a field of about 260 boys between 10 and 18 . . . And a big pro-junior curtain-raiser.

Bill Hardy, pro at Chevy Chase Club (Washington dist.) became a PGA member when George Sargent, once a pro at Chevy Chase, was PGA president . . . Now he's got another PGA card signed by George's son, Harold, as pro head man . . . St. Petersberg (Fla.) City
Managers’ Golf committee plans first annual Bill Cody Memorial baseball players’ tournament, reviving an affair that the late E. P. (Bill) Cody and baseball player, Jimmy Foxx, who was recently in the news, put on in 1941 at Jungle CC, St. Pete. The annual baseball players’ tournament in the Miami sector started by George Jacobus and still conducted by the Ridgewood (N. J.) CC going stronger than ever.

Jim Entwistle, now pro at Tuscarora CC, Marcellus, N. Y., succeeding his dad, Bill, who died last Thanksgiving after being Tuscarora’s pro for the last 10 years of a fine career. Betsy Rawls told Ralph Warner, Tampa Tribune sports columnist, that her expenses on the Ladies PGA tour last year were $7000. Betsy won $89651. To that sum was added a nice roll from Wilson as staff member and for exhibitions. Girl pro’s expenses for making the circuit usually run about $5000 a year and that calls for thrifty management.

Bob Anderson from CC of Cleveland, O., to be supt. at Corpus Christi, Tex., CC. Glade Montgomery, pro at Liberty (Ind.) CC 9-hole course has made some kind of a record. Annual dues at his club are only $30. This is the lowest dues figure we’ve heard at a club that has a pro. And young Montgomery is an excellent pro.

Just when things were nice and quiet among the elder pros at Dunedin prior to Senior’s Week, Jimmy Lawson came in with a copy of the Glasgow Sunday Post carrying a feature about the battle of Bannockburn where the Scots defeated the English and Welsh. It happened Monday, June 24, 1314 but the Sunday Post retold the tale with as much detail as Sandy Armour telling about his last round before leaving Edinburgh to go out to the States. Jimmy said the Sunday Post reported that in the Scotch force of 10,000 under Robert the Bruce that beat the 30,000 English there were 15 men from Carnoustie, one fat boy from St. Andrews and nobody at all from Monifieth.

Then the fight began again.

Otto Hardt’s de luxe motel, Hardt’s Desire, at Dunedin on Alt. 19 and the PGA National entrance road, is packed to the roof by pros and their wives for weeks around the PGA Seniors’ gathering. Better reserve a year in advance. The Eddie Williams’ and Mike Bradys are among the new homeowners at Dunedin. Charlo Manor, beautiful new motel at Clearwater Beach and home of several pro families down for Dunedin activities, owned by brother of Bob Brumby, formerly NY News golf writer.

Jimmy Crichton from Port Huron (Mich.) CC to pro appointment at Fox Hills CC, Plymouth, Mich. Bill Netter, formerly asst. to Emil Beck at Black River CC, Port Huron, Mich., and a graduate of the first PGA Assistants’ School, succeeds Crichton at Port Huron CC. Charley Strack, out of Army to sign as pro at Red Lion (Pa.) CC. Strack at PGA Assistants’ School this year.

NEW PENNCROSS BENTGRASS

Now... a superb greens turf from seed!

Edison winter home after the first course was subdivided.

Robert Trent Jones has located 6 new fairway bunkers at Southern Hills, Tulsa, site of this year's Open, put new tee on 5th extending it to 595, on 12th to stretch it to 465, on 14th to make it 209 and on 16th to make it 338... Supt. John Price has alteration program worked out so next June players and gallery will think Southern Hills always looked as it will then.

Better make hotel or motel reservations for the Open early as Tulsa will be packed with visitors... In the southwest the folks drive 500 miles with no more concern than northern and eastern big town sissies take a cab.

Good job done in rearranging the very small shop at PGA National course... Frank Sprogell, pro-mgr. of the club, wanted to get some room for moving around in the tiny shop... Les Cottrell, asst. pro in charge of sales, has various manufacturers' lines displayed on pegboard wall fixtures with the respective manufacturers' names behind the group displays... Bob Lee, Leo Anderson and Bob Shoemaker also are on Sprogell's staff... Tom Raklett is starter at Dunedin.

Ben Yasko, active in New Jersey pro work for years, now is operating a busy golf club repair service at 480 E. 25th st., Hialeah, Fla., half block east of the race track... Ben left the pro job at Homestead CC, Spring Lake, N.J., to go south and start the repairing service that has been helpful to pros and their customers in south Florida.

The Burke brothers, Billy, Pete and now Ed-die, are the first three brothers to compete in the same PGA Seniors' championship... Pete was winner two years ago... This is 1931 National Open champion Billy's 25th year as pro at CC of Cleveland, O... This is Billy's 11th year as winter pro at Clearwater (Fla.) CC... Billy has been in golf business at Clearwater since 1924, starting as caddiemaster at Bellaire-Biltmore, then becoming asst. to Alex Smith, then pro with George Low, prior to going to Clearwater CC.

There's talk of extending the pro-and-three-members invitation foursome tournament idea from Bermuda so it will present events at Pinehurst, Sea Island and possibly Point Clear on a tournament-a-month basis for a select group... Sports Turf Bulletin of British Sports Turf Research Institute comments on frequency of "complete inadequacy of documents relating to expensive construction work for new sports grounds" and adds that complete specifications
for new courses, although difficult to prepare, make it easier, cheaper and better in getting the job done right the first time.

New clubhouse at Paradise Valley CC, Phoenix, to get occupancy permit around Mar. 1 ... Al Zimmerman's pro shop will be located in new building and old shop will be torn down to provide more room around the first tee ... For this year's Phoenix Open, Supt. Bob Ervine of Phoenix CC has replaced old, compacted sand and replaced it with new so the pros will have to blast out instead of roll the ball out with their putters.

Reggie Spencer now pro at Morgantown (W. Va.) G & CC, having gone there from similar job at Preston (W. Va.) CC ... Walsenburg, Colo. council okays 5-year lease on 115-acre tract north of city for purpose of building a 9-
hole course... East Ridge CC, Shreveport, La., opens spacious new clubhouse, two years after club was founded... Fordyce (Ark.) G & CC reorganized with revenue from new membership and sale of bonds being applied to club's debts and an improvement program.

Air Base GC, not only designed the course but supervised its construction... Art Marks has moved from Lakewood CC to Rumson (N. J.) CC where he is taking over pro duties... Shrewsbury, N. Westchester County, N. Y., claims to be "golfingest county in U. S." with 42 courses... Any challengers?... Cleveland Planning Commission gets information on new 18-hole course which John S. Nagy, recreation commissioner hopes to build near Hopkins airport... Its cost would be around $425,000.

Y., proceeding with plans for construction of 18-hole course after it was temporarily blocked by a citizen who claimed town board was acting beyond its scope in planning a course... State supreme court, however, dismissed the citizen's petition.

Northern California Golf Assn. has a liaison committee at each of its member clubs... Sec. Bob Hannah says the plan of having direct and immediate connection between the association and its associates works out very well when campaigning for equitable taxation, and in other legislative matters... Hazel Thompson of the association's office testifies that the liaison committee is good for getting clubs to answer association mail.

A golf course equipment dealer with a good memory of the early '30s advises caution on the course-subdivision promotions... The idea of building communities around courses is sound, he declares, but unless the promoters are experienced and established men there is a risk they may run out leaving the course and club without any operating plan and money if, as and when lot sales get slow.

Mike McDonough, supt. Haggin Oaks, Sacramento, Calif. municipal course, was in charge of the construction of the course when it was built to the design of the late Dr. Alister MacKenzie who, with Bob Jones, designed the Augusta National course... Alvin Victorsen, beginning his 11th year at Newberry (Mich.) CC, says the new Newberry clubhouse will be completed by summer... Newberry and all other clubs in the upper peninsula of Michigan expect to get more play this year because of traffic across the new Mackinaw Straits bridge.

Tommy LoPresti's range and Par 3 course at Sacramento, Calif., said to be best designs for profitable operation on the Pacific Coast... His par 3 course has no specially built tees... Tee markers are frequently moved on the grass fairways... Gives players better conditions and tee areas don't get chewed up... The range is 280 yds. square and has a watering system.

Country Club of Florida course in village of Golf on the northern edge of Delray Beach, Fla., lengthened to 7200 yds. for Western Amateur, April 10-15... Supt. Norman Johnson has the course in grand condition despite cold weather and deluges that plagued Florida.

Newly opened is Valley Hi CC in Colorado Springs. Pool, clubhouse and 9 of 18 holes are fully completed with second 9 to come. Henry Hughes of Denver designed the course. Art Stewart is pro and Lee Stottern, supt. Course commands fine view of Pikes Peak.

Graeme D. Nicholl, one of the premier and most pleasant golf enthusiasts, retiring as S.E. Asia mgr. at Singapore of Manufacturers' Life Insurance Co. to become secretary of Mid-Ocean Club, Tucker's Town, Bermuda, beginning next March... Graeme supplied some photographs for Hagen's book... He was playmate of Walter and Joe Kirkwood on their historic trip to the Orient... If you've got members figur-
ing on going to Bermuda, write Nicholl... They couldn't be in better company.

A pro on the Pacific Coast — I forget who — was talking about the big increase in women's golf and said: "Women made the cigarette business very big and they're going to do the same thing for golf."... Clever idea in club grill rooms is that in Coral Ridge clubhouse at Ft. Lauderdale... Bar is in front of picture window that is practically one wall of the room and which opens onto view of 18th green, 1st and 18th tees and 1st green in distance... Because bartenders aren't transparent their working platform is lowered so you can see a lot of the course over them.

A smart New England pro tells me he likes to start new golfers, especially women golfers, with well fitted used clubs upon which he has spent a little time getting them into good condition... He says it's not only the bargain price that appeals but it is the idea of giving the women more attention while fitting them...

The plan keeps them away from cut-price stores and brings them back to him when they are playing a lot of golf and want a brand new set of clubs.

There's a lot to be said for the plan at the new Diplomat CC at Hollywood, Fla. Diplomat 18-hole course is part of largest resort built in southern Florida in 30 years. John Beekman, who handles public relations for the race track, is mgr. of the 9-hole course... Los Coyotes CC, Buena Park, Calif., publishes Vol. I, No. 1 of a house organ for members in January... Norman R. Klug (l), pres. of Miller Brewing Co., Milwaukee, and Walter A. Moynihan, tournament dir., study PGA contract for fourth Miller Open, scheduled for next Aug. 7-10. Miller also is co-sponsor of All-Star Golf, the current TV hit.

Taxes Compel Pro to Know Score on His Business

(Continued from page 53)

Whether he charges a salary for himself against his cost of doing business is something for his tax counsel to decide.

Pros can't deduct cost of business clothing because it can be used as general wear. Cost of golf shoes can be deducted because they are not adaptable to general wear.

Cart ownership, depreciation, etc., now have tax angles being decided. The pro's tax counsel will have to advise him of the rulings.

The pro should carry a memo book in which he records expenses. He will be surprised how much he spends that can be charged against his cost of doing business.

In some matters a soundly founded estimate of expenses is acceptable to the internal revenue tax men. In such cases the pro should have an itemized and authentic report of expenses for a week and multiply by 52 on the tax return sheet.

Records of entertainment, business promotion, advertising and travel expenses must be closely kept as Big Brother requires all such figures on statement to be substantiated.

The pro's wife's expenses are not deductible unless she strongly aids the pro in his business.

Teaching Control of The Swing

Dole Andreason, Professional
Westmoreland CC, Export, Pa.

Playing with Sam Snead at San Diego while in the Navy, and getting educated in muscle structure during assignment to a rehabilitation program, was a combination of circumstances making it possible for me to study "inside" golf.

A golfer has to sit back so his hips will unlock.

Keep the left heel down at the top of the backswing and it is easier to keep the head steady.

Don't shift too much weight.

Golf is a game of good misses.

Pick out the weakest part of a pupil's game and stay with it instead of giving it a once-over-lightly and moving on.

Golf is especially difficult for the weekend golfer who once a week must do unaccustomed work with his hands.

Get the pupil basically in balance and the other details work out.

If you can get pupil relaxed there won't be much trouble in obtaining the correct grip.

The left eye should be on the ball. Cock the chin to the back of the ball and it is much easier to keep the head steady.

The pupil can stand with his knees bent but still have his hips locked.

The left hand must move through the ball.

Pros Plan to be Ready 
(Continued from page 24)

Just about all the pros queried by GOLFDOM say that they are going to use more mailing pieces this year than ever before in attempting to get their golfers off to an early start. One Easterner puts it this way: “In other years we sent out postcards notifying members that the pro shop was open. Probably half of them were ignored because it seemed that about every other person who finally got around to coming into the shop said he didn’t know we were back doing business. This year it’s going to be different. We’re sending out first class mail to announce the opening of the shop and we’re going to follow it up with letters describing new equipment and accessories and our lesson program. We got off to a poor start last year because we kept telling ourselves that the weather would soon break in our favor. It was awfully slow doing that. This year we’re not going to wait for it.”

Suggests Repairing Game

Joe Brown of the Des Moines G & CC, located in West Des Moines, Ia., also is a great advocate of bombarding them with letters. He lures members out to the club by suggesting that their games may be in need of repair after the long winter’s layoff and then works in the merchandise angle. He has been successfully using this approach for several years because he is enough of a psychologist to know that golfers would rather talk about their games than anything else and most of them, when it comes down to it, would rather talk about it around a course or in a pro shop. And once they’re in the latter location, they’ll buy.

Brown also is giving some thought to wrapping early season clinics or golf parties around the All Star Golf TV show which will continue to be shown every Saturday at 4 p.m. through April 5. Several other pros also feel that this is a natural for getting their seasons launched.

An idea used by Bruce Herd, Flossmoor (Ill.) CC pro, that undoubtedly would produce good results at many clubs is that of setting up a display in the clubhouse. Herd doesn’t do it in a picayunish way, either. He goes all out, moving almost half of his stock from shop to lounge and keeping it there for at least a couple days. Flossmoor does a bustling restaurant and bar business at this time of the year and
