CERAMIC TEE MARKERS*

Every hole on your course will be plainly marked with these New Ceramic Tee Markers. They are sure to be seen, they are attractive indeed—and above all, they never need maintenance—through summer, winter, hail and sleet. They never rust, never discolor—they last and last. They are the best permanent and positive yardage and hole indicators available.

Available in championship blue, men's white and women's red—all specially manufactured, showing your exact course distance. Made of enduring high fire, high impact ceramic. Impervious to nature's drives, they keep bright and clean looking always. They never need painting.

Sold in sets, you can order three complete sets—or start with men's, then add women's and championship. Once you have them installed, see how well they look, how impervious they are to dirt and grime—you'll install complete coverage.

Order direct by mail merely by checking course distance for single sets, or send score card for three part coverage. Complete sets for 18 holes, with your distance permanently fired-in, cost only $90 per set net. Order direct today on your club stationery or write for more information.
