A PROPOSITION FOR GOLF COURSE ARCHITECTS

We'd like to prove what we consider a fact: That a Royer "362" Shredder-Mixer is the most productive, most efficient equipment available for preparing top-quality, on-site soil mixes. Here's our proposal. We'll demonstrate a Royer by either (1) bringing a Royer to you, or (2) taking you to a Royer. Either way, there's no obligation. Phone Charlie Otto at 717-287-9624. He'll make the arrangements.

3/74 GOLFDOM MAGAZINE 157
These are, quite frankly, the finest golfing instruments ever created by the most experienced club makers in the game – Spalding.

Elite Centurion brings together performance-proven club characteristics, the most modern design and production technologies, plus, the distinct mark of craftsmanship at its best. Confidence in play. Pride in appearance.

- Investment cast irons.
- Radiused and cambered sole.
- Low center of gravity.
- Short hosel.
- Slightly offset blade.

Woodheads designed for and proven in play by Spalding’s Touring Professional Advisory Staff.
- Medium-deep faced driver.
- Shallow faced fairway woods.
- Unique brass back-weighting.
- Low center of gravity.
- Precision swing weight.
- Precision total weight.

Simply stated, these are the most playable clubs the game has ever produced.

More than clubs, Elite Centurion is an approach to the game. They are, of course, sold only through golf professional shops.
