MAN'S CONQUEST OF THE MOON WAS, WITHOUT DOUBT, A GREATER ACHIEVEMENT THAN THE DEVELOPMENT OF AN OUTSTANDING BLUEGRASS, BUT...

For Turf Professionals and Home Gardeners,

Adelphi
KENTUCKY BLUEGRASS
(U.S. Plant Patent No. 3150)
is, truly...a "GIANT STEP" IN TURF

RATED OUTSTANDING FOR OVERALL PERFORMANCE...in actual use ...BY PEOPLE WHO KNOW AND GROW GREAT GRASS.

Put into proper perspective, many of man's achievements are "giant steps"...none as dramatic as the conquest of the moon and space.

In the world of turf, "ADELPHI" Kentucky Bluegrass is the giant step of the decade. Its rich, darker green color, its excellent density, its good resistance to disease...have been bred right into it by man. Its acceptance has been virtually universal. "ADELPHI"...on golf courses, athletic fields and on beautiful lawns everywhere.

ISN'T IT TIME YOU TOOK THE GIANT STEP IN TURF? ...TO ADELPHI.

Rear-engine tractors

Gravely's new 8000 series commercial grounds maintenance tractors feature a rear-mounted engine bolted directly to an all-gear, eight-speed transmission. The center power takeoff with optional front and rear PTO's provides direct all-gear drive to more than 20 attachments for fine or rough mowing, plowing, light grading, and other tasks. Engine choices range from 12 to 16 1/2 horsepower.

Circle 210 on free information card

All-wood shelter

Standard Golf Co.'s new Shelterport provides excellent shelter for 8 to 10 golfers, holds two benches, and looks good on the golf course, too. It uses metal joint connectors with 2 by 4's in a triangular frame design, covered with wood side panels. The wood base members provide the form for pouring the concrete slab. Lightning rods are available at extra cost.

LEGAL NOTICES

ADVERTISEMENT FOR LEASING PROPOSALS Involving the design, construction, operation and maintenance of a regulation 18-hole golf course at the Hudson Mills metropark, Washtenaw County, Michigan. Proposals will be received by the Huron-Clinton Metropolitan Authority, 3050 Penobscot Building, Detroit, Michigan 48226 until 2:00 p.m. (Local Time), Thursday, April 27, 1978, from Proposers able to show a reasonable acquaintance with and an ability to successfully execute the requirement herein described. This project involves the leasing of lands within Hudson Mills Metropark for purposes of designing, constructing, operating and maintaining a Regulated Hole Golf Course. Proposals, Location Plans, Soil Survey and Topographical Information may be obtained at the above address on or after January 25, 1978. Each proposal shall be accompanied by a Certified Check or Bid Bond by a recognized Surety Company in the amount of five (5%) percent of the estimated cost of constructing the improvements as a guarantee that the successful proposer will enter into a Lease Agreement. After the time of opening, no proposal may be withdrawn for a period of one hundred eighty (180) days. The Authority reserves the right to reject any or all proposals, to waive irregularities and/or formalities and to make award in any manner deemed for the best interest of the Authority. Huron-Clinton Metropolitan Authority, Robert L. Bryan, Secretary.

Our best design changes ever...Introduce this new generation of Trojan "mileage master" batteries

- One piece solid covers assure easier, more efficient cleaning.
- Concealed mini-length cell connectors with less resistance increase performance.
- Filler caps spaced closer to center give minimum interference with terminal connecting cables.
- Trojan Batteries powered the first electric golf car 30 years ago — only by improved performance can we stay in first place.
- We're designating this new generation by types taken from their discharge ratings in minutes at a 75 AMP rate.

Here they are...
