EDITOR'S CORNER

TOM FISCHER

If you were unable to attend the April meeting last month you missed a dandy. Somerset Country Club was in excellent condition from tee to green. Even the three inch rough was mowed for our enjoyment. We would like to thank Gerry Murphy and his staff for the fine dinner and use of the golf course and clubhouse.

This year's fishing opener had a gamut of reports. If you were angling in the southern areas, it felt like July with a high temperature of 93, while in the north the temperatures were similar to many fishing openers, cool in the 50's and 60's. As in most openers it just had to rain to make the weekend complete. The fishing reports were varied similar to that of the weather with one group reporting a catch of seven walleye while another group was reeling in northerns. Good luck to the anglers for the remaining season.

Congratulations go to Keith Scott who was appointed to serve on the USGA Greens Section Committee and also to serve as a Minnesota Golf Association Director.

The Association feels our dress code is very important to the image of our Association. Therefore, I am reminding you that at our evening meetings a suit coat or sport coat is required for dinner.

PLANT HELP FROM U of M

by MS. JILL D. POKORNY
DIRECTOR, PLANT DISEASE CLINIC

The Plant Disease Clinic has expanded its diagnostic services. Our goal is to provide prompt, accurate information on plant diseases utilizing a full array of diagnostic techniques. Our services are tailored to the specific needs of
