The Minikahda Club’s squad watches a putt by General Manager Jim Jennings on the 11th green at StoneRidge Golf Club during the Harold Stodola Research Scramble. Pictured from the left, are Nick Folk, Doug Nelson and Jennings. The foursome’s first two putts rolled off the fast green and down the hill but Nick and Doug then lagged them within 2-putt range. Playing but not in the photo was Superintendent Jeff Johnson.
