

Grass (Descriptive) (continued)

- Instructions for Those Who Received Planting Stock of Tifton 57 Bermuda. August 16, 1949. Georgia.
- Centipede, A City Lawn Grass. Published in Southern Seedsman, Nov. 12, 1948. Georgia.
- Breeding Bermudagrass for Golf Greens. G. W. Burton. (Abstract) Georgia.

Grass (Improvement)

- The Morphological Variations and the Occurrence of Aneuploids in Some Species of *Agrostis* in Rhode Island. Irene H. Stuckey and William G. Banfield. Rhode Island.
- Selection and Developing of Improved Colonial Bents Based on the Study of Quality Factors, Drought and Disease Resistance at Rhode Island Agricultural Experiment Station, January 1950. Rhode Island.
- Progress Report - Breeding Program for Special Purpose Turf Grasses. Neal Wright. July 1, 1949. Pennsylvania.
- Breeding Bermudagrass Turf. G. W. Burton and B. P. Robinson. January 3, 1950. Georgia.
- Comparative Performance of a Number of Bermudagrass Selections. August 25, 1949. Georgia.

Grass (Seed)

- The Effect of Burning and Various Fertilizer Treatments on Seed Production of Red Fescue. H. B. Musser. Reprint from ASA Journal, Vol. 39, No. 4. April 1947.
- Alta Fescue Production in Oregon. H. H. Rampton. Bulletin 427, Extension Bulletin 665. Oregon.
- The Quality of Seeds on Sale in New York in 1949. M. T. Munn and A. B. Bucholz. Bulletin No. 739. New York.
- Centipede Lawns from Seed. G. W. Burton. Southern Seedsman, January 1949. Georgia.
- Centipede Grass Seed Production. November 27, 1948. Georgia.

Grass (Combinations)

- Bad News for Crabgrass. Fred V. Grau and Marvin H. Ferguson. Crops and Soils. June-July 1949.

Grass (Uses)

- Sod is Ideal for Playing Fields. Fanny-Fern Davis, George E. Harrington. Pages 297-302 of the 1948 Yearbook of Agriculture.

Grass (Uses) (continued)

- Airfields and Flight Strips. R. H. Morrish, A. E. Rabbitt, E. B. Cale. Pages 319-323 of the 1948 Yearbook of Agriculture.
- Golf is Played on Grass. Fred V. Grau and O. J. Noer. Pages 324-330 of the 1948 Yearbook of Agriculture.
- Bentgrass for Lawns. Marvin H. Ferguson and Ian Forbes, Jr. USDA Mimeo. leaflet.
- Better Turf for Cemeteries. Fred V. Grau. USGA Green Section Mimeo.
- Safety and Beauty for Highways. Frank H. Brant and Marvin H. Ferguson. Yearbook Separate 2036. Pages 315-318, 1948.
- Athletic Field Turf. C. K. Hallowell. November 1949. Pennsylvania.
- Athletic Field Renovation. A. E. Cooper. Pennsylvania.
- The Home Lawn. John F. Cornman. Cornell Extension Bulletin No. 469, April 1949. New York.
- *"Your Lawn" Ground for Living. Gilbert H. Ahlgren. Rutgers University Press. March 1949. New Jersey.
- *Progress Report on "Renovation, Improvement, and Evaluation of Turf on Lawns, Parks, Athletic Fields, Fairways and Similar Areas and Renovation Study." Ralph E. Engel. New Jersey.
- Lawn Culture in Missouri. T. J. Talbert and E. Marion Brown. Missouri.
- A Study of Creeping Bentgrass for Fairway Uses. E. C. Holt. Ph. D. thesis 1950. Purdue.
- Fairway Turf Nursery. Richard Davis. Purdue.
- Carpetgrass for Farm Lawns. G. W. Burton. Southern Seedsman, February 1949. Georgia.
- St. Augustine Is a Shady Lawn Grass. G. W. Burton. Southern Seedsman, April 1949. Georgia.
- Centipede grass for Lawns. Mimeo. paper No. 48, March 1947. Georgia.
- Centipede, A City Lawn Grass. Published in Southern Seedsman, November 12, 1948. Georgia.
- Breeding Bermudagrass for Golf Greens. G. W. Burton, (Abstract). Georgia.
- Grasses for Lawns, Recreational Areas, Parks, Airports, and Roadsides. Roy A. Bair. Annual Report 1948-1949, State Project 533. Florida.
- How Good Lawns Grow. H. G. M. Jacobson, E. M. Stoddard, John C. Schread. Circular 169, June 1949. Connecticut.
- The Home Lawn. Bulletin, P 80, April 1948. H. L. Lantz, L. C. Grove, E. P. Sylwester, A. E. Cott. Iowa.
- Fall Work With The Lawn. J. A. DeFrance. Turf Maintenance Tips No. 13, September 1950. Rhode Island.

*Not available

Grass (Uses) (continued)

A Study of Creeping Bentgrass for Fairway Use. E. C. Holt, Ph. D. thesis 1950. Purdue.

The Lawn - Its Making and Maintenance. Third Edition. Purdue.

Soils (Physical Conditions)

Compaction and Irrigation Studies on Compacted Turf. J. R. Watson, Jr. Pennsylvania.

Evaluation of Various Organic Materials for Use in Construction and Maintenance of Putting Greens. Pennsylvania.

Progress Report - Comparison of Various Organic Materials for Use in Construction and Maintenance of Golf Greens. A. C. Richer, J. W. White, H. B. Musser and F. J. Holben. September 1949. Pennsylvania.

A Study of the Physical Properties of Golf Greens in Oklahoma. William L. Gorman. Oklahoma.

Mechanical Analyses, Infiltration Rates and Moisture Percentages of Greens from Several Golf Courses in Oklahoma. Oklahoma.

Further Studies on the Value of Various Types of Organic Matter for Improving the Physical Condition of Soils for Plant Growth. H. B. Sprague and J. F. Marrero. Soil Science 34: 197-208, 1932.

Turf Stabilized Granular Materials. G. O. Mott. November 1944. Purdue.

The Effect of Chemical and Flame Weed Killers on Soil Structure. C. L. W. Swanson and H. G. M. Jacobson. January 5, 1949. Presented at Northeastern Weed Control Conference. Connecticut.

The Physical Conditions of Putting Green Soils and Other Environmental Factors Affecting the Quality of Putting Greens. R. R. Davis, Ph. D. thesis 1950. Purdue.

The Effect of Various Sources of Organic Matter on the Properties of Soils as Determined by Physical Measurements and Plant Growth. H. B. Sprague and J. F. Marrero. Soil Science 32:35-49, 1930.

Root Development of Perennial Grasses and its Relation to Soil Conditions. H. B. Sprague. Soil Science 36:189-209, 1933.

Soils (Water Relationship)

Proper Use of Water on Turf. Fred V. Grau. USGA Green Section Mimeo.

Compaction and Irrigation Studies on Compacted Turf. J. R. Watson, Jr. Pennsylvania.

Soil Moisture in Relation to the Growth of Turf. William H. Daniel. December 8, 1948. Michigan.
