

PRESIDENT S MESSAGE by Robert E. Livesey, CGCS

For the small amount of planning that went into the tournament that was held at Sunol on the 13th of November, it was a success. I would like to thank Bill Nigh, Grady Simril, Norm Stewart and Cliff Wagoner for their help. Cliff was unable to be there to help with the scoring with Myrtle just getting out of the hospital. She is doing fine. Bill and Grady stayed late to get all the flight winners down on paper before everyone had to leave. The winners will receive their gift certificates or cash in the mail.

We didn't want to go overboard on the entry fee in order to see what the reaction would be to this type of event. From the comments that were made by the people that participated, it looks like this is something to continue with. One of the guests I talked with said this was the first time he had really talked with his superintendent. This is the kind of thing we are after!

George Santana showed up for lunch and is getting along fine. Thanks George, it was a pleasure to see you up and around. Another pleasant surprise was to see Orville Suttles, I hope you will be able to make some of the meetings. Thanks for coming Orville.

As I mentioned, this function seems to be wanted. We will be setting up a committee to start working on this shortly and are planning on holding it at least a month earlier this next year, to insure better weather.

Once again, I would like to thank the 58 people who showed up with the weather as it was. I hope everyone enjoyed themselves!

+++++
