

The program for the July meeting is being put on by the Northern California Golf Association (NCGA). We will be honored by the presence of Charles McFarland and Henry Hinds, NCGA Directors, John Zoller, Executive Director and Ron Read. They will present a slide program on PREPARING THE COURSE FOR TOURNAMENTS and defining the golf course. Although few of us are involved with major tournaments, most of us have member and qualifying tournaments which are as important to those playing as the big ones. Every SUPERINTENDENT should attend this meeting to get the facts first hand.
