don't realize how lucky you are to have the company gas pump available. Berny and I are happy we planned our retirement and are enjoying it to the utmost. We have big plans for the future when a few minor problems are ironed out. Retirement---It's the greatest."

Bill Reynolds, Salinas "Very little business. An occasional service call or a sale that falls into my lap. Mostly yard work and some house work (my wife still has a job) I built a greenhouse in the back yard this summer. Am now President of our Homeowners Association, immediate Past President of our Men's Golf Club. I play golf 2 or 3 times a week and really enjoy the GCSA meetings. My wife and I just returned from a great vacation in the Big Apple and New England. Saw the fall foliage at its best. I keep busy."

Luther Hollis, Bakersfield "am playing golf almost every day."
