you breathe.

Hundreds of people have died needlessly in hotel fires, often small ones which should not have caused serious problems. Panic is the worst killer in such situations. If you can keep control of yourself weigh your options and take the right actions, you can make sure the odds stay in your favor.

RANDOM THOUGHTS

\*There's nothing wrong with having nothing to say--unless you insist on saying it.

\*Buffalo herds, which were hunted to near extinction when the rail roads were built, are on the increase. Now it's the railroads that face extinction.
