

YOUR HOST SUPERINTENDENT - Jack Jagur, El Macero CC, El Macero

Jack's experience and exposure really started in golf in the Fiji Islands. His sights were well set in his younger days living near the golf course in his native land. He loves his trade and recommends this type of exposure to others.

After serving 3 years as assistant golf course superintendent at Valley Hi Golf Course, Sacramento, he came to El Macero and has been superintendent for 14 years. Add this to his golf game (12 Handicap) and you have Jack Jagur.

The golf course is 18 holes, par 72, private and has a membership of 450.

#### SHORT NOTES OF MEETING

LAKE MERCED - We ran out of space last month but not enough THANKS can go to Lou Tonelli and his group for the good food, golf and accommodations made for us. We turned out strong - 120. Ed Berardy received his Class A-Life membership card from GCSANC. Keith Braman showed slides and spoke on infiltration rates of water. "Water is a success tool we all need. The operation and management is an on-going education for all of us." Bob Bradley, Golf Course Superintendent of Marian Golf Course in Wellington, New Zealand was a guest. Staff limited to 3 maintenance men, course conditions are fair to poor using our standards, greens are fenced to keep the sheep away. We never had it so good.

LOS ALTOS - Thanks to Aart de Vos/Bob Ford for a fine meeting place and a great golf course. A special thanks to Brian Inkster, Class A pro for his help on the scramble tournament. Thanks to Fred Richtner, Manager too. Since this was our annual meeting, we had entertainment by Gale Love, Dave Griffiths, Frank Olivera and Bob Livesey during the counting process. REAL comedians.

Your new officers are Jim Ross, President, Ken Sakai, Vice President; Secretary-Treasurer Robert Ford, New Directors Allan Mooser and Tom Thatcher. Still on the board is Past President Bob Livesey and Directors Bob Dauterman and Clifford Wagoner.
