For those of you who would like to know what business was conducted on your behalf at Stanford, here is a bried report. (this is being written because the majority of the people walked out of the meeting before it was completed)

GCSA OF AMERICA - Use your National and local travel agents for best conference results. The Headquarters is running well under John Schilling, new Executive Director. New six hour educational tapes are availabe. The Certification program is being upgraded.

CALIFORNIA GCSA - A State board meeting was held in Palm Springs November 11 and 12. Full support was given to Bob Ford for National Director. We are still looking for people to stay in the California hospitality room \$30.00 a night.

NEEDED new meeting sights and speaker. Contact Randy Gai at Claremont CC
