HOST Brian Morris
and the clubhouse

Brian is a graduate from Cal Poly Pomona with a B. S. in Park Administration. He did his internship at Riviera Country Club and worked at Rancho California (now Rainbow Canyon Golf Resort) in Temecula while attending college. He became the Assistant Supt. at Calabassas CC in Sept. of 1978 and Superintendent at Candlewood CC in Whittier in March of 1979. It was then on to Silverado in May of 1980 as the Assistant. Brian became the Superintendent in October of the same year.

Silverado Country Club was built in 1967 and was a Robert Trent Jones design. The South Course, which you will play is 6213 yards from the white tees and 6632 from the blues. There is primarily bentgrass and ryegrass in the tees, fairways, and roughs with a bent and poa mix on the greens. Water comes into play on 5 of the holes.
